Wolf In Ministers Clothes:

Shepherds of God in Wolves' Clothing Rev. Dr. Murray Joseph Thompson, 2021-07-05 Having served in the United States Army as a military chaplain for nearly ten years this shepherd of God offers a unique perspective from both a historical point of view as well as from personal experience on the extraordinary service of those men and women who have been called to minister to what can only be described as America's finest. In sharing his reflections that highlight everything from the biblical roots for spiritual leadership among God's people in ancient Israel through the evolving history of the military chaplaincy in the last century this book highlights a specialized ministry that a select few have had the privilege and honor to perform since the earliest days of the Old Testament

Wolves in Sheep's Clothing Larry Herneisey, 2020-01-28 And Jesus answered and said unto them take heed that no man deceive you Matthew 24:4 Are Christians in today's churches being deceived? If we were how would we know? We often accept doctrines of today's popular teachers at face value without ever comparing their claims against the principles of Scripture. Taking for granted that everything we are hearing taught is truthful and sound doctrine is to be very naïve. Jesus warns us in Matthew 7:15 Beware of false prophets which come to you in sheep's clothing but inwardly they are ravening wolves. We live in an age of rapid change and much deception. If the teaching of the church is going to remain sound the responsibility rests with us. *Wolves in Sheep's Clothing* is a study guide, a reference source and a thought provoking look at many of the teachings prevalent in today's Christian church. The author exposes many of today's false teachings often with a bold stance. The false teachers propagate their lies with boldness therefore at times it is necessary to stand against them with boldness. After studying this work the reader will be empowered to sort through the misleading and deceptive doctrines of today and avoid the common traps set by most false teachers. Hopefully by the end of the study the reader will have learned practical ways to determine for himself whether a teaching is truthful or in error. At the very least this study will provoke the reader to deep spiritual thought and at the most it will set people free from the bonds of false teaching. This study will benefit the fresh new believer and the seminary student as well as the seasoned Bible teacher. This work is a must read for pastors, teachers, Bible study leaders and anyone who thirsts after truth.
