A Man Called Wyatt Heather Long,2017-09-26 Meet Wyatt The mysterious brother the shadowed man where he rides death follows He s always been the hunter never the hunted The past The first war ground to a halt in the blink of an eye Wyatt the most feared and ruthless Fevered fell His allies scattered to the wind in a single evening of destruction and retribution Victory had been within Adam s grasp but one Shaman interfered and crippled him The present Nearly five decades have passed since that bloody night but the feud between brothers long at an impasse is about to explode Though the Fevered have grown in numbers the war itself is far more perilous because everyone has something to lose and the voice of reason will no longer hold death at bay The future The Fevered have continued to evolve and more powerful are awaking every day When death rides his brother will rush to meet him and only one woman will have the power to step into the breach it is the end of an era and it could be the end of the Fevered
