And once those gates open, they're not so easily shut. The crazy keeps on coming in the form of a dead woman, a ridiculously gorgeous and frustrating man who keeps turning up around every corner, and a party at a stately home that's to die for. Literally. Sophia's forgotten history is going to have to be remembered in a race against time if she wants to save her own life. Unfortunately, Sophia's discovering her life isn't what she thought it was at all. In fact, her life might not even be hers but indebted to a twisted dark world made up of ancient vows and blood ties, ones she can feel surging through her veins. Gay Hollywood Film & Video Guide Stephen Stewart, 1994 Filmography of American foreign motion pictures that feature gay themes and or characters *Hugo Wolf and his Mörike Songs* Susan Youens, 2000-06-22 Viennese composer Hugo Wolf produced one of the most important song collections of the nineteenth century when he set to music fifty three poems by the great German poet Eduard M riike Susan Youens reappraises this singular collaboration to shed new light on the sophisticated interplay between poetry and music in the songs Wolf is customarily described as the Poet s Composer someone who revered poetry and served it faithfully in his music Yet as Youens reveals this clich overlooks

the rich terrain in which his songs are often at cross purposes with his chosen poetry Although Wolf did much to draw the world's attention to the neglected Swabian poet his musical interpretation of the poetry was also influenced by his own life psychology and experiences This book examines selected Mörke songs in detail demonstrating that the poems and music each have their own distinctive stories which at times intersect but also diverge

order Reading Order Book 1 Bring Me Their Hearts Book 2 Find Me Their Bones Book 3 Send Me Their Souls The Rhetorics of Feminism Lynne Pearce, 2013-04-15 Is it possible that changes in rhetorical practice could alter not just how thought is expressed but also how it is made Through a close stylistic and rhetorical analysis of contemporary feminist writing from the cultural theory of Judith Butler to the popular journalism of Naomi Wolf and Germaine Greer Lynne Pearce demonstrates how feminist thought is created as well as communicated through the frameworks in which it is presented By linking rhetorical innovation with feminist epistemology in such a direct way this is a book that will be of immense methodological as well as theoretical interest to readers providing valuable insight into the often mysterious processes of conception and composition *Lady and the Wolf* Elizabeth Rose, RAVEN AWARDS Runner up Man by day wolf by night Will enemies become lovers The Wolf Lord Hugh de Bar has been taken prisoner by Baron Roland Chaserton and also cursed by the evil witch Hecuba In the dungeons of Tavistock Hugh's curse is revealed that he will be man by day and shapeshift into a wolf at night After managing to escape he and his brother go back to Castle Babeny where he resides as lord Hugh vows to kill his captor if it is the last thing he ever does While in the woods he sees a woman in a red cloak armed with a crossbow killing wolves He needs to stop her He captures the woman only to discover she is the granddaughter of his enemy Lord Chaserton With her as his captive he finally has the bait needed to lure his enemy out into the open and extract his revenge The Lady Lady Winifred Chaserton is known as Red not only as a nickname but also for her long red hair She defies her grandfather and sneaks back to the woods unescorted It is her intent to investigate a secret door in the woods that she is sure she saw While there she is almost attacked by a wolf but saved by the handsome Lord of Babeny Hugh de Bar Her hope diminishes as she discovers he means to keep her captive The man's intense gaze devours her and this scares yet excites her at the same time He is the most dangerous man she's ever met and also the most intriguing person that has ever taken her interest He holds a secret and she digs deeper to find just what he hides behind his cool penetrating stare Will a cursed man find redemption from dark magic that has brought turmoil into his life And will enemies become lovers as an unusual attraction turns into so much more Read less *Freud's Beastly Boys* Oxana Timofeeva, 2025-04-08 This book examines violence and sexuality after Freud Its characters though are not women and men but rather animals and children Focusing on three famous Freudian cases in which little boys had issues with animals Little Hans The Rat Man and the Wolf Man it revises the role played by animals in male gender socialization Timofeeva demonstrates the relevance of psychoanalysis for anyone who wants to understand how patriarchy works but she also points to its limitations For Freud sexuality creates the background of our psychic lives and unconscious sexual fantasies are the origins of psychic disorders such as hysteria obsessions and phobias But what are the origins of sexual fantasies Timofeeva argues that behind psychic dramas of sexuality there is something else a mechanism of violence which she calls the machine of masculinity and which she analyses both through Freud's cases and through the lens of religion anthropology and her own life experiences Wolves rats and horses are

magical agents that connect us to the world of the dead that is to the history of our culture in which monotheism replaced totemic practices but the basic psychosocial matrix of turning love into violence continues to reproduce itself *Snowed In with the Wolf: A Spicy Wolf Shifter Christmas Romance* Sarah Piper, 2021-12-20 Wolf shifter and former black ops mercenary Hawke Stevens doesn't do Christmas anymore And he absolutely doesn't do damsels in distress crashing onto his property in the middle of a blizzard Give her a ride Hell no With her innocent blue eyes and rail me senseless elf costume that girl is nothing but trouble Sweet sexy trouble that leaves him aching for a taste of what's hidden under those candy cane striped tights Maddie Lockwood will not miss another Lockwood family Christmas not after spending last year's holiday season in the hospital But a storm puts her travel plans on ice stranding at the secluded mountain cabin of a cocky sexy as sin recluse who makes the Grinch look like a teddy bear If only his filthy mouth didn't make her so hot As the blizzard rages on all Hawke wants for Christmas is to wipe that good girl smile off Maddie's face All Maddie wants is to punch Hawke in the snowballs But Santa He's got something else in store for the naughty wolf and his nice little elf Psychotherapy: An Erotic Relationship David Mann, 2021-12-15 Psychotherapy An Erotic Relationship challenges the traditional belief that transference and countertransference are merely forms of resistance that jeopardize the therapeutic process David Mann shows how the erotic feelings and fantasies experienced by clients and therapists can be used to bring about a positive transformation Combining extensive and lively clinical examples with theoretical insights and new research on infants David Mann suggests that the development of the erotic derives from interactions between the parent and child and is seldom absent from the therapist patient relationship However while the erotic always contains elements of past relationships it also expresses hope for a different outcome in the present and future Individual chapters explore the function of the erotic within the unconscious erotic pre Oedipal and Oedipal material homoeroticism in therapy sexual intercourse as a metaphor for psychological change the primal scene in the transference and the difficulties of working with perversions The book is as relevant now as it was when originally published This Classic Edition contains a new introduction by David Mann summarizing his current ideas since this book was first published in 1997 It brings the therapy setting alive offering clinicians both an accessible and deeper understanding of the interaction between erotic transference and countertransference it also gives an explicit picture of how these aspects of therapy can be used to enhance the therapeutic process It remains an essential resource for psychoanalysts psychotherapists and counsellors their clients and anybody with an interest in Eros desire or mental health issues Hugo Wolf Susan Youens, 2024-01-09 A groundbreaking look at one of the great song composers of the late Romantic period In the virtual cottage industry of works on fin de siècle Vienna Hugo Wolf 1860-1903 has been somewhat neglected perhaps because he was the master of a small genre the late Romantic lied and never truly made his mark in the larger forms that command greater public attention But in the realm of song he is among the greatest inheritors of Schubert and Schumann one who was both a traditionalist and a modernist When the Viennese critic Eduard Hanslick disapprovingly

dubbed Wolf the Richard Wagner of the lied he was paying oblique homage to Wolf's genius as a song composer in the most modern manner In this book Susan Youens examines five aspects of Wolf's compositional art each exemplifying a different synthesis of traditionalism and modernity and spanning his entire tragically brief creative life from his first efforts to his lapse into insanity in 1897 She discusses Wolf's youthful imitations of Schumann his genius for comic songs of a kind unlike any of his predecessors his part in the ballad revival of the late nineteenth century Wolf in relation to his contemporaries and his pursuit of operatic fame Youens looks as closely at the poetic texts as she does the music and includes numerous previously unpublished sketches and fragments examples from songs now long out of print and difficult to obtain and citations from Wolf's vivid letters and other sources of the period

The Silver Wolf Alice Borchardt, 2002-03-05 In this new historical romantic fantasy of stunning originality and scope Alice Borchardt breathes life into a bygone age brilliantly recreating a sensuous violent world and the men and women whose grand ambitions betrayals and passions shape the era in which they live and die Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur Now into the Eternal City comes Regeane a beautiful young woman distantly related through her dead mother to Charlemagne Regeane's regal blood renders her an unwilling pawn in the struggle for political power But unknown to those plotting against her the blood she has inherited from her murdered father makes her much more than a child of royalty Possessed of preternatural agility and strength primal memories extending back thousands of years and senses so keen they can pierce the veil of death itself Regeane is a shapeshifter woman and wolf hunter and hunted Betrothed by Charlemagne's command to a barbarian lord she has never seen Regeane is surrounded by enemies The most notorious her depraved uncle and guardian will not scruple to betray her to the Church unless she aids him in his sinister schemes And if the Church discovers her secret Regeane will burn at the stake Yet Regeane finds allies as well Lucilla rumored to be the private courtesan of Pope Hadrian himself Antonius a wise and gentle soul trapped within a body grotesquely disfigured by disease and the little Saxon girl Elfgifa brave beyond her years with a tongue as sharp as a blade Outside the gates of Rome baying on the moonlit expanses of the Campagna there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire Now as an infamous stranger prepares to claim his bride deadly plots and counter plots tighten like a noose around her neck Regeane must fight to live with dignity as the proud creature she is civilized and savage woman and wolf partaking of both yet infinitely more than either Lyrical fast paced sensual and rich with historical detail and deep insights into the heart The Silver Wolf catapults Alice Borchardt squarely into the front rank of contemporary women writers Her intricate plot and hypnotic voice will cast a spell that few will be able to resist
