

THE WOLFKIN SAGA BOOK 1

The background of the cover is a painting of a snowy, mountainous landscape. A man with long, dark, wavy hair and a dark t-shirt is shown from the waist up, looking back over his right shoulder. To his right, a large, grey and white wolf is lying down, looking directly at the viewer. The title 'WOLVES OF BLACK PINE' is written in a large, ornate, metallic font across the middle of the image.

Wolves of Black Pine S. J. Himes, 2015-12-16 An ancient civilization long hidden from humanity is on the brink of chaos and war Peaceful for thousands of years the wolfkin clans are mysteriously losing packmates kidnapped and killed by unknown foes The nightmare begins with an ambush by humans at a gathering of their kind and lives are lost Among them is Luca youngest grandson of the two most powerful wolves in the Northern Clans Thought long dead and gone he is forced into a half life hidden in the far northern wilds of Canada and cut off from his kind Those who raised him have no idea the creature they harbor in their midst and name him Ghost He begins to lose himself over the long years and though he barely recalls his true name the one wolf he never forgets is Kane Kane Heir to the wolfkin clan Black Pine is charged with hunting down the traitors who betrayed their kind to the humans Years fly by and more wolves are dying He refuses to give up and he vows to never again fail another of their kind as he failed young Luca years before His heart tells him Luca lives but his mind tells him that it's foolish hope his guilt eating him alive Fate and magic change the course of their lives and the two wolves long separated by the years find their paths intertwining Though the gift of their reunion doesn't come without price Faced by the consequences of their growing love and the goddess forged bond between them Kane and Ghost are besieged on all sides Enemies are coming for their blood and without the steadfast loyalty and love of family and friends they may not be safe from the very people they fight to protect

Wolf of the Northern Star Sheena Jolie, SJ Himes, 2017-06-15 Ghost is finally home Back among his kind and learning what it means to be both a man and a shaman Ghost battles the expectations of his people his family and the pressures of a society that is both foreign and familiar His power is greater than any seen before dwarfing that of even the legendary Shaman Gray Shadow and his union with Kane places him in the center of a controversy that rattles wolfkin society around the world Ghost loves his mate and refuses to bow to mounting pressure to have them separated and then Kane is falsely accused of forcing a mate bond Kane the alpha heir of his clan and Ghost's new mate has finally defeated the traitor and murderer that destroyed the heart of Black Pine years before Yet Kane has a new enemy to face his own people Placed on trial for violation of Law and blasphemy Kane will have to fight to the death to preserve his bond with Ghost and keep his mate and people safe Alphas from far and wide come to the trial some with the intent to take everything from Kane

including his beloved mate A soulbound pair is traditionally seen as a blessing upon the wolfkin and their clans yet their bond flies in the face of tradition Ghost and Kane refuse to be parted and even with the support of their friends and family it may not be enough to preserve their mating when ancient laws and hatred threaten to destroy their love Wolves of Black Pine Sheena Jolie,Sj Himes,2023-07-15 The wolfkin clans have hidden from humanity for eons treading the line between legend and reality guarded against those who hunt their kind Yet despite their caution the clans are ambushed at a peaceful gathering of their people and the loss of life is devastating the cost reverberating through the clans for decades Lost in the aftermath of the ambush and assumed dead by most the pup Luca is locked inside his wolf too young to understand how to change back Adopted by biologists he s raised as a wild animal The child Luca was is gone replaced by a fully grown dire wolf called Ghost A violent attack at the sanctuary by those who hunt his kind spurs Ghost into revealing his true nature and eventually he finds himself on a path back home As the alpha heir to his clan Kane has spent years fighting for revenge and justice He returns to the mountains where their people died meeting a hauntingly familiar stranger named Ghost Chaos ensues after the wolfkin s dormant Goddess unexpectedly decides to mate Kane and Ghost The shocking existence of their bonding flies in the face of accepted wolfkin law and lore Ghost and Kane unearth buried truths even as betrayal and enemies close in on them and without the steadfast loyalty and love of family and friends they may not be safe from the very people they fight to protect **Under the Wolf's Shadow** A.
