The Beast in Sheep's Clothing Lindsey, David Michael, 2005 **Be Not Afraid to Follow the Footprints from Heaven** John Carpenter, 2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatric therapist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life
