William Marx, 1992 Woman Defamed and Woman Defended Karen Pratt, C. William Marx, 1992 The Power of a Woman's Voice in Medieval and Early Modern Literatures Albrecht Classen, 2007 The study takes the received view among scholars that women in the Middle Ages were faced with sustained misogyny and that their voices were seldom heard in public and subjects it to a critical analysis The ten chapters deal with various aspects of the question and the voices of a variety of authors both female and male are heard The study opens with an enquiry into violence against women including in texts by male writers Hartmann von Aue Gottfried von Straßburg Wolfram von Eschenbach which indeed describe instances of violence but adopt an extremely critical stance towards them It then proceeds to show how women were able to develop an independent identity in various genres and could present themselves as authorities in the public eye Mystic texts by Hildegard of Bingen Marie de France and Margery Kempe the medieval conduct poem known as Die Winsbeckin the Devout Books of Sisters composed in convents in South West Germany but also quasi historical documents such as the memoirs of Helene Kottaner or Anna Weckerin's cookery book demonstrate that far more women were in the public gaze than had hitherto been assumed and that they possessed the self confidence to establish their positions with their intellectual and their literary achievements **Feminist Readings in Middle English Literature** Dr Ruth Evans, Ruth Evans, Leslie Johnson, 2005-08-04 This volume designed with the student reader in mind is an indispensable blend of key essays in the field with specially commissioned new material by feminist scholars from the UK and the US It includes a diversity of texts and feminist approaches a substantial and very illuminating introduction by the editors and an annotated list of Further Reading offering preliminary guidance to the reader approaching the topic of gender and medieval literature for the first time Works and writers covered include Chaucer Margery Kempe Christine de Pisan The Katherine group of Saints Lives Langland's Piers Plowman Medieval cycle drama Students of both medieval and feminist literature will find this an essential work for study and reference **Abject Eroticism in Northern Renaissance Art** Yvonne Owens, 2020-10-29 Hans Baldung Grien the most famous apprentice and close friend of German artist Albrecht Dürer was known for his unique and highly eroticised images of witches In paintings and woodcut prints he gave powerful visual expression to late medieval tropes and stereotypes such as the poison maiden venomous virgin the Fall of Man death and the maiden and other motifs and eschatological themes which mingled abject and erotic qualities in the female body Yvonne Owens reads these images against the humanist intellectual milieu of Renaissance Germany showing how classical and medieval medicine and natural philosophy interpreted female anatomy as toxic defective and dangerously beguiling She reveals how Hans Baldung exploited this radical polarity to create moralising and titillating portrayals of how monstrous female sexuality victimised men and brought them low Furthermore these images issued from and contributed to the

contemporary understanding of witchcraft as a heresy that stemmed from natural feminine defect a concept derived from Aristotle Offering new and provocative interpretations of Hans Baldung's iconic witchcraft imagery this book is essential reading for historians of art culture and gender relations in the late medieval and early modern periods **The Art of Ageing: Textualising the Phases of Life** Brian Worsfold, 2005 El tema del envejecimiento es total absolutamente todo existe en el tiempo A pesar de que la matemática rechaza la noción de que el tiempo pasa la conciencia humana percibe el envejecimiento como consecuencia del paso del tiempo Mediante textualizaciones en poesía teatro y prosa se pone de manifiesto el sentido y la complejidad de la percepción de esta trayectoria temporal Por esta razón los artículos que contiene este libro son eminentemente eclécticos y revelan los pensamientos de poetas cantantes escritores críticos literarios psicólogos sociólogos y antropólogos Disability in the Middle Ages Joshua Eyler, 2010 What do we mean when we talk about disability in the Middle Ages This volume brings together dynamic scholars working on the subject in medieval literature and history who use the latest approaches from the field to address this central question Contributors discuss such standard medieval texts as the Arthurian Legend The Canterbury Tales and Old Norse Sagas providing an accessible entry point to the field of medieval disability studies to medievalists The essays explore a wide variety of disabilities including the more traditionally accepted classifications of blindness and deafness as well as perceived disabilities such as madness pregnancy and age Adopting a ground breaking new approach to the study of disability in the medieval period this provocative book will be a must read for medievalists and scholars of disability throughout history *The Long Fifteenth Century* Helen Cooper, Sally Mapstone, 1997 The Long Fifteenth Century is intended as a companion volume to Douglas Gray's ground breaking Oxford Book of Late Medieval Verse and Prose and incorporates a bibliography of his published writings Gray's anthology revolutionized critical appreciation of English and Scottish literature of the long fifteenth century from the death of Chaucer to the Reformation but the literature of the period as a whole remains much under read undervalued and understudied The contributors to this volume all leading scholars in the field bring to the fore the power of underrated writers restore to the period writings often attributed to other centuries open up new possibilities in neglected genres offer radical rereadings of some more familiar works and demonstrate how closely the literature of the period is bound up with political and social conditions Written in honour of Douglas Gray to mark his long and distinguished tenure of the J R R Tolkien Professorship of English Literature and Language at Oxford university the 15 essays in this volume portray the long fifteenth century as a major period of literature in its own right They provide a comprehensive survey of fifteenth century literature in print from the morality play to the ballad verse forms to prose romances including Chaucer Lydgate Skelton and Hoccleve along with essays on the Middle French Poets and Scottish writings of the period *The Middle Ages on Television* Meriem Pagès, Karolyn Kinane, 2015-04-30 The 21st century has seen a resurgence of popular interest in the Middle Ages Television in particular has presented a wide and diverse array of medieval offerings Yet there exists little scholarship on television

medievalism This collection fills the gap with 10 new essays focusing on the depiction of the Middle Ages in popular culture and questioning the role of television in shaping our ideas about past and present The contributors emphasize the need for scholars of medievalism to pay attention to its manifestations on the small screen The essays cover quite a range of topics including genre gender and sexuality The series covered are Game of Thrones Merlin Full Metal Jousting Joan of Arcadia Tudors Camelot and Mists of Avalon Instructors considering this book for use in a course may request an examination copy here

Representation of Women in Classical, Medieval and Renaissance Texts Maria C. Pastore Passaro, 2005 This work explores the discussion of the idealization of women in medieval and Renaissance texts This book has three main goals to show textual connections between literary masterpieces and thus delineate a literary history from within the texts in order to show how authors consciously or unconsciously interact with one another regardless of time and boundaries to present biographical and autobiographical heroines their work and legacy and finally to grasp man's imaginary world of women

Mothers and Daughters in Medieval German Literature Ann Marie Rasmussen, 1997-09 Drawing on the themes of current feminist thought the author explores several examples of German literature and poetry to show how fictional mother daughter characters played out the contradictions of the social and sexual conflicts in medieval society

Women in German Yearbook, 1994

Women's Writing in English Laurie Finke, 1999 Taking as its guiding emblem Christine de Pizan's metaphor of a city of ladies this volume refuses to treat the medieval woman writer as an anomaly a lone genius who somehow managed to transcend the limitations of her sex It insists that women have always participated fully if not equally with men in the creation of culture even during the Middle Ages and it examines the record of women's cultural participation in medieval England Women's Writing in English Medieval England examines women's writing not only in traditional genres such as poetry drama and romance but in a variety of genres which are often excluded from literary canons including medical treatises correspondence and the visionary and devotional genres in which women wrote most prolifically
