Woman Why Do You Weep Circumcision And Its Consequences:

Woman, why Do You Weep? Asma El Dareer, 1982 *Corporeographies the Body at the Scene of Writing* Vicki Christine Kirby, 1992 **The Rights of Women in Islam** H. Jawad, 1998-06-30 It has been argued that Islam liberated Muslim women by granting them full rights as citizens Yet in reality we see that women have long been subjected to both cultural and political oppression Instances such as forced marriages are sadly common in the Muslim World as are restrictions on education and on their role in the labour force *Female Genital Mutilation* Charlotte Proudman, 2022-02-03 Female genital mutilation FGM has garnered significant media political and legal attention in the UK Despite criminalising the practice in 1985 FGM continues undetected and often underground This monograph provides a unique insight into survivor s attitudes towards FGM as well as the criminalisation of a culturally embedded practice Some of the narratives might be deeply uncomfortable as women sympathise and even uphold the practice whilst others viscerally describe the trauma and pain that they endured Digging deeper into efforts to eliminate FGM professionals at the coalface of the end FGM movement provide their views on whether the practice can ever be eradicated This volume explores the key themes that emerged from the well publicised criminal trials in the UK and the barriers that prevent the law from working effectively One of the obstacles that are examined further is the legal double standard in criminalising FGM whilst permitting female genital cosmetic surgery which incites hostility and anger amongst FGM performing communities Whilst ending FGM is imperative this enlightening work reflects on the unintended consequences that stem from punitive efforts to criminalise a practice performed by often Black migrant communities Women describe their experiences of racism and Islamophobia in a context of police surveillance and hyperbolic media narratives In an effort of encouraging the abandonment of FGM this publication highlights the need for the law to be accompanied by education initiatives at a grass root level *Thicker Than Water* Melissa Meyer, 2014-02-04 Blood is more than a fluid solution of cells platelets and plasma It is a symbol for the most basic of human concerns life death and family find expression in rituals surrounding everything from menstruation to human sacrifice Comprehensive in its scope and provocative in its argument this book examines beliefs and rituals concerning blood in a range of regional and religious contexts throughout human history Meyer reveals the origins of a wide range of blood rituals from the earliest surviving human symbolism of fertility and the hunt to the Jewish bris and the clitoridectomies given to young girls in parts of Africa The book also explores how cultural practices influence gene selection and makes a connection with the natural sciences by exploring how color perception influences the human proclivity to create blood symbols and rituals *Transcultural Bodies* Ylva Hernlund, Bettina Shell-Duncan, 2007-06-07 Female circumcision or more precisely female genital cutting FGC remains an important cultural practice in many African countries often serving as a coming of age ritual It is also a practice that has generated international dispute and continues to be at the center of debates over women s rights the limits of cultural pluralism the balance of power between local cultures international human rights and feminist

activism In our increasingly globalized world these practices have also begun immigrating to other nations where transnational complexities vex debates about how to resolve the issue Bringing together thirteen essays *Transcultural Bodies* provides an ethnographically rich exploration of FGC among African diasporas in the United Kingdom Europe and Australia Contributors analyze changes in ideologies of gender and sexuality in immigrant communities the frequent marginalization of African women s voices in debates over FGC and controversies over legislation restricting the practice in immigrant populations Sudanow ,1984 **Variations on the Theme of Somaliness** European Association of Somali Studies,Somali Studies International Association,2001 **The Middle East Annual** ,1984 **Folia orientalia** ,2001 **Sudan** M. W. Daly,1992 **Human Sexuality** Brian M. Du Toit,2000 **Contention** ,1994 *Essentials of Sociology* Anthony Giddens,2008 Regarded as the most authoritative introduction to contemporary sociology *Essentials of Sociology* adds a new author to its team with the Second Edition **Women in the Third World** Thomas P. Fenton,Mary J. Heffron,1987 Caribbean and the Middle East *The Field Directors' Handbook* Brian Pratt,Jo Boyden,1985 This Oxfam manual provides a broad outline of some of the main practical issues that confront development in the third world The handbook is divided into eight parts The first three sections cover major principles of development crucial to all programs and include an outline of procedures for putting basic principles into practice The rest of the book including sections on disaster agriculture and health gives more detailed treatment of specific types of programs At the end of each part is a checklist of questions which summarizes the issues that must be addressed before commencing any program In addition the editors have provided ample references to readily accessible sources of information **International Family Planning Perspectives** ,2001 **Ahfad Journal : Women and Change** ,2004 African Journal of Reproductive Health ,2006 Ethical Health Care Patricia Illingworth,Wendy E. Parmet,2006 KEY BENEFIT Ethical Health Careprovides an interdisciplinary perspective to bioethics relying heavily upon the teachings of economics law and public health KEY TOPICS The book explores with care and context the nature of the relationship between patients and clinicians health care providers and the societies in which they live and finally the relationship between the health care enterprise and the international community MARKET For clinicians and other health care providers
