How to Prepare On Your Own for the TJHSST Admissions Test

The best preparation for the admissions test is to take challenging school courses, read a great deal, do math problems beyond those required in class, and practice writing skills. The following is information about the TJHSST Admissions test and suggestions to help you as you prepare for the December test.

Preparing for the TJHSST Admissions Test

- **The Test: Nuts and Bolts**

The TJHSST Admissions Test is a two hour math and verbal reasoning test. The test contains 95 test items – 45 verbal questions and 50 math questions. The verbal items include scrambled paragraphs, logical reasoning, and reading comprehension. The math items include word and computational problems.

The test is a standardized, timed test. On test day, you will receive a test booklet, an answer sheet, and a piece of scratch paper. You must bubble in your answers on the answer sheet using a number 2 pencil. You cannot bring any extra materials to the test: no self-stick or post-it notes, no highlighters, no page flags. You also cannot use a dictionary or other study aids or a calculator. So, as you prepare for the test, use only the tools you are allowed: your pencil, one piece of plain scratch paper (which we provide on test day), and your magnificent brain!

- **The Student Handbook for the Admissions Test: Your Best Resource**

The Student Handbook for the Admissions Test for Thomas Jefferson High School for Science and Technology is a resource prepared by the testing company that produces the admissions test. The handbook is available to download from the admissions website: www.TJAdmissions.org.¹

The Student Handbook describes the test and includes a Study Guide that offers advice on test preparation and test-taking strategies. The handbook also includes a complete sample test (with answer sheet) that you can use for practice. Answers to the sample test also are provided so that you can check your work and identify areas on which you may want to focus as you prepare for test day.
