Black Widows Diane Plant, 2018-01-30 AN ANTHOLOGY OF THE MOST MURDEROUS GOLD DIGGERS IN MODERN HISTORY LOUISE PEETE She's an entrepreneur A homicidal entrepreneur Louise Peete was a convicted American murderer famous for becoming the second woman in history to be executed in the State of California She was sentenced to life in prison for the murder of a wealthy mining engineer named Jacob C Denton in 1920 Nineteen years later however she would be released from prison only to kill again In a bizarre series of crimes she would kill one of her benefactors a social worker named Margaret Logan and be executed for committing that murder in April of 1947 DENA THOMPSON Dena Thompson is a woman who held power over every man that had the misfortune of falling for her charms Dubbed a psychopath Dena succeeded in fooling everyone around her including investigators with her lies and charm for over twenty years Dena would post to Lonely Hearts columns and lure a steady stream of lovers and husbands into her world eventually leaving each one emotionally and financially bankrupt Her first husband lost everything to her and wound up as a desperate man on the run from a mafia threat that did not exist With one husband gone and his money spent Thompson would go on to bigamously marry Julian Webb a successful advertising salesman In three short years Mr Webb would be found dead in his bed from an unexplainable drug overdose Thompson's third and final husband would soon be fighting for his life when she suddenly attacked him with a bat Still somehow this master manipulator would convince an entire jury that she was nothing less than the victim of abuse No matter how many fruitless chases she sent investigators on Thompson would not be able to keep the family members and friends of her victims from stringing the pieces together one at a time Her crimes were finally brought into the light of day and she would be imprisoned for her killings VIRGINIA LAZERLERE Mid afternoon shots rang out in the middle of a suburban dental clinic almost 27 years ago A frantic call was received by emergency dispatch The call was made by the wife of the slain dentist yelling down the line for assistance to save her husband's life following a fatal gunshot wound to the chest March 8 1991 was the day that changed Virginia Larzelere's life forever The cold blooded murder of her dentist husband Norman Larzelere sparked off a chain of events that culminated in her lifelong incarceration Although it could be proven that she never pulled the trigger on her husband the prosecution successfully argued that she was the mastermind behind the crime Police investigating the crime scene discovered that as Norman lay dying in a pool of

blood he mumbled Was that Jason Jason was his son adopted when he had married Jason s mother JANIE LOU GIBBS Oppressed by a strict upbringing Janie Lou Gibbs was an American serial killer from Cordele Georgia She would go on to kill her three sons a grandson and her husband by poisoning them with rat poison in 1966 and 1967 This is her story BETTY LOU BEETS Betty Lou Beets is a perfect historical example of how multifaceted crime can be how a victim could become an aggressor or an aggressor may adopt the mask of victimhood and how all is not necessarily as it seems Convicted for murdering two men and assaulting or attempting to kill four Betty Lou s story is one that would send chills down the spine of any man from any era Only the fourth woman to be executed for murder despite the overall statistics hovering around forty to fifty cases of capital punishment per year her crimes were too gruesome and cold for the court to offer her a lesser sentence or were they As we shall see when we delve into her history despite Betty Lou s extensive criminal record and constant charges against her from ex husbands and her own children
