Written in the Stars Jayme Ardente-Silliman, The day thirteen year old Sophie Watters went to the Spinners concert was the best day of her life so far She had front row tickets to see the totally

gorgeous and talented Geoff Mann the lead singer and love of her life Not only did she get to see Geoff in concert but she also got to meet him backstage and he kissed her on the cheek At that moment she knew her mom was right dreams do come true But Sophie s fairy tale life was met by unbelievable tragedy just weeks later She lost the one person she couldn t live without her mom Six years later Sophie is still grieving her mother s death and has long since stopped believing in happy endings and dreaming She takes a trip to her mother s hometown in Italy for a chance to escape the pain but her pain only worsens since everything there reminds her of mom But what Sophie doesn t realize is that her story isn t finished yet and while she is in Italy the plot thickens as her childhood dream resurfaces There she will meet the one person who can fix her broken heart the one person who can bring her back to life the only person who can make her whole again someone completely unexpected Geoff Mann But will Sophie allow herself to believe in a happy ending Can she find the freedom to dream again And even more will she realize that she is a dream come true for someone else Dare to believe that dreams come true as you discover what is Written in the Stars Jayme Arden Silliman lives in Maricopa Arizona with her husband and three children Written in the Stars is her first novel **The Awakening of Sunshine Girl** Paige McKenzie,2016-03-01 Now in paperback the highly anticipated sequel to the New York Times bestselling The Haunting of Sunshine Girl A 21st century iPhone enabled Buffy the Vampire Slayer The Daily Beast in which ghost hunter Sunshine Griffith discovers her own paranormal abilities and a most unexpected and lethal enemy Sunshine Griffith has been awakened Her powers are now fully alive and spirits follow her everywhere desperate for help moving on to the afterlife Hoping to get her luiseach abilities under control she agrees to begin training with her mentor her birth father Aidan Aidan takes her to an abandoned campus deep in the Mexican jungle far from her would be boyfriend and protector Nolan But Aidan s work turns out to be more terrifying than Sunshine could have imagined Is she prepared to finally learn the truth about what s threatening the future of the luiseach and the human race and the deadly part she may play in it *Hungouls of Hartford and Holland* Joe D. Jackson Ed.D,2013 Hungouls of Hartford and Holland is fiction It starts out as a very simple book that might not get the attention of millions at first but it begins to grow on you and as the characters become alive and the plot thickens you find yourself having trouble putting it down Hard times in the first of the book puts a load on the marriage of two of the main characters but as kids come along and more money is made somehow the marriage gets better as they fight other things like spirits of the past called Huns and getting involved with the lives of their kids As time goes on and Huns marry Gouls a super race of people called Hungoulds evolve that began to help make the earth a better place to live So by the end of the book Hungouls are going to the moon and Mars and like before on earth are making them into a great place to live also **President Nixon** Richard Reeves,2002-10-10 PRESIDENT NIXON shows a man alone in a White House ruled by secrets and lies trying to impose old values at home and new balances of power everywhere in the world Reeves proves that the Watergate scandal was no abberation in an administration foreshadowed by a series of successful uses of national security to cover coups

burglaries lies the abandonment of America's allies and even murder. Reeves portrays a man of vision and iron will who created, used and was used by a small cast of hard ambitious men who formed a poisonous circle around their insecure leader. Alone, Nixon challenged and changed the world's political and military balance while also plotting to destroy both the Democratic and Republican parties in an attempt to create secretly a new party of the centre. This account of Nixon's stewardship will stand as the balanced authoritative portrait of an astonishing president and his ruined presidency.
