

- **Question**

When should the Eid feast traditionally take place – after the Eid prayer, at lunch-time, at dinner-time...?

- **Answer**

There is no evidence in the Sunnah for an Eid Feast (or walimah). The Sunnah instructs the Muslims to feed people from the sacrifice, but not necessarily by holding a feast. However, to many people, the Eid day is an occasion to meet friends and relatives, and to celebrate together. Feasting is a common celebration practice. So, as long as it is not treated as a religious ritual, and as long as it does not involve extravagance and other prohibited things, then it can be held at any time convenient for people.

To Feast Or Not To Feast That Is The Question:

The Homiletical Question William F. Brosend, 2017-11-09 The Homiletical Question offers preachers from beginning students to the most experienced a concise introduction to lectionary based preaching in liturgical contexts familiar to Anglicans Roman Catholics Lutherans Methodists and others The book demonstrates how by answering a single simple question each time a sermon is prepared preachers can respond fully and faithfully to the biblical text the needs and issues of the audience and the challenges of a changing world Chapters explore the practice of homiletical exegesis creation and illustration of the moves that shape the sermon crafting introductions and conclusions and preaching baptisms weddings funerals and other special occasions As Thomas G Long writes in the foreword That the homiletical question should yield answers that are beyond the reach of the preacher answers that manifest preaching as an event of surplus and abundance answers that point toward the mystery that is the Holy Spirit answers that take us to our knees in prayer before they take us into the pulpit would come as no surprise to Brosend That very mystery that very abundance is at the heart of Brosend's theology of preaching and therefore at the heart of this book *A treatise of miscellany questions; wherein many useful questions and cases of conscience are discussed and resolved* George GILLESPIE (Minister at Edinburgh.), 1846 **Answers to Tough Questions** J. Carl Laney, 2010-08-01 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark's United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis *Four Questions on Mary* John Duns Scotus, 2000 *The Academic Questions, Treatise de Finibus* M. Cicero, 2023-02-05 Reprint of the original *Consumer Optimization Problem Solving* Alfred L Norman, 2014-12-15 What algorithms are tractable depends on the speed of the processor Given the speed of digital computers polynomial algorithms are considered tractable But a human can take several seconds to make one binary comparison between two pens Given this slow speed sublinear algorithms are considered tractable for an unaided human and this defines Simon's concept of bounded rationality Humans make simplifications to solve the intractable consumer optimization problem Consumers search for goods and services item by item which greatly reduces the number of alternatives to consider In addition consumers have operators that can process a set in a single operation Also consumers budget by incremental adjustment In considering consumer performance the question to ask is how close to optimal is

consumer performance and not whether consumers optimize as a yes no question Given the ordinal nature of utility theory this creates a basic measurement problem The book presents a review of the literature on consumer performance This is an opportune time to study consumer procedures because the Internet provides a media to make substantial improvements in consumer performance The book includes a case study comparing the performance of a digital camera selection code with the advice of sales people A field experiment demonstrates that the software code provides better advice The Sunday School Teacher ,1875 **The Academic questions, treatise De finibus, and Tusculan disputations of M.T. [Luke, John and the Acts of the Apostles J. G. Fuller,1826** **Between the Babylonian and Palestinian Talmuds** Christine Elizabeth Hayes,1997 This work addresses the the genesis of halakhic legal divergence between the Talmuds produced by the Palestinian rabbinic community c AD 370 and the Babylonian rabbinic community c AD 650 It analyzes selected divergences between parallel passages of the two Talmuds Questions on the four Gospels (Acts of the Apostles, Epistle to the Romans, First epistle to the Corinthians, Epistle to the Hebrews). Albert Barnes,1852 Did you not know? Have you not heard? Otinel C, Iancu,2018-01-31 The book contains more than 6 100 questions Its value is not in the answers but rather in the way the questions are formulated and in the information they contain Because the questions are arranged chronologically the book can be used as a study

guide Although there are questions that require to memorize certain details most of them contain enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic Since the book was conceived with the purpose of using it in Bible contests most of the questions require one word answers The material contained in this book is useful in bringing out things that many readers omit when they read the Bible It is also useful for getting ideas for sermon subjects for Bible contests for obtaining information etc There are a variety of types of questions 1 Simple and straightforward questions 2 Multiple choice questions 3 True and false questions 4 Tricky questions 5 Questions that require logic 6 Questions that require general knowledge 7 Questions that require to know Bible details 8 Interesting questions 9 Questions focused on unique things in the Bible 10 Questions that deal with controversial issues 11 Questions that require a list of names 12 Questions that require special knowledge 13 Doctrinal questions 14 Questions that combine the Old Testament and New Testament 15 Bible geography questions 16 Questions that require memorizing verses Take a look at a few sample questions and answers Tricky question David Solomon Jeroboam Ahab Jehoiakim and Omri were just a few of the Kings of Israel Some of them had problems with the Egyptians and Israel and Egypt were often at war So king of Egypt came and attacked Israel If you paid attention the name of the Egyptian king has already been mentioned Give his name Question that requires logic Alexander the Great around 250 BC gathered in Alexandria Egypt 70 Hebrew scholars to translate the Scriptures from Hebrew into Greek This translation is known under the name of Septuagint LXX What part of the Bible did they translate Was it the Old Testament the New Testament or the whole Bible Question focused on unique things in the Bible This gospel contains nothing about the life of Jesus before he was about 30 years old Answers Tricky question So Questions that require logic OT One should know that there was no NT in 250 BC and the NT was already written in Greek Questions focused on unique things in the Bible Mark
