Tobruk The Great Siege Reassessed:

Tobruk Frank Harrison, 1999 Tobruk is the longest siege in British military history and this study of the action is a rare book an analytical reassessment by a veteran of the campaign The volume has three parts the siege in which the Australian 9th Division held out against Rommel's Afrika Korps the breakout where the British 70th Division created a corridor towards the Eighth Army and an important appraisal of the Desert Fox Erwin Rommel As examination of World War Two events pass from nostalgia to pure history this important volume will not only stand as testimony to brave Allied defence but will add significantly to existing literature on its subject *Tobruk's Easter Battle 1941* John H. G. Mackenzie-Smith, 2011 The initial Australian and British victory over Rommel's Afrika Korps on Easter Monday 1941 at Tobruk was Germany's first defeat in World War II Incongruously the vital actions of Queensland's 2/15 Battalion on that day have been generally ignored For the first time this investigation places that lost body of infantrymen nearly four miles from the outer perimeter near El Adem crossroads There they were dug in around two gallant Royal Horse Artillery batteries which incurred heavy losses in turning around a concerted Panzer attack In that battle the 2/15 A Company delivered the final blow to the accompanying German infantry led by the formerly invincible Lt Colonel Gustav Ponath who was killed in the field This ably researched and intriguing episode redresses the brave 2/15's subsequent sense of injustice **Beyond Surrender** Joan Beaumont, Lachlan Grant, Aaron Pegram, 2015-06-01 Over the twentieth century 35 000 Australians suffered as prisoners of war in conflicts ranging from World War I to Korea What was the reality of their captivity Beyond Surrender presents for the first time the diversity of the Australian behind the wire experience dissecting fact from fiction and myth from reality Beyond Surrender examines the impact that different types of camps commandants and locations had on surrender survival prison life and the prospects of escape It considers the attitudes of Australian governments to those who had surrendered the work of relief agencies and the agony of families waiting at home for their husbands brothers and fathers to be freed Covering several conflicts and diverse sites of captivity Beyond Surrender showcases new research from Kate Ariotti Joan Beaumont Lachlan Grant Jeffrey Grey Karl James Jennifer Lawless Peter Monteath Melanie Oppenheimer Aaron Pegram Lucy Robertson Seumas Spark and Christina Twomey World War II in Europe David T. Liberating Libya Rupert Wieloch, 2021-10-27 Free Libya was the chant heard throughout Libya during the Arab Spring revolution that ended with the death of Colonel Gadaffi in October 2011 The story is about British involvement in Libya since the first treaty signed with the rulers in Tripoli in January 1692 The book is divided into four eras The first covers the period up to the Italian invasion in 1911 the second covers the First World War and Italian pacification the third covers the Western Desert Campaign and the final part brings the reader up to date with recent events In the words of the Foreign Secretary Edward Grey the 1911 Italian invasion of Libya led straight to the catastrophe of 1914 Using memoirs of politicians and correspondents from both sides of the conflict the author pieces together British involvement shedding new light on the Senussi Campaign and the Duke of Westminster s rescue of 100 British PoWs at Bir Hakkeim as well as the story of Colonel Milo Talbot who did as much as TE Lawrence to establish British influence with Arab leadership but was never rewarded for his work Even though hundreds of books have been written about the Western Desert Campaign this book includes much unpublished material in addressing the contentious issues and explains why General

Brian Horrocks wrote Command in the desert was regarded as an almost certain prelude to a bowler hat The final part of the book begins with Britain's operations to establish Libya as an independent kingdom and the rise of nationalism that led to Gadaffi's coup in 1969 The story of the tense relationship with the Brotherly Leader during the Line of Death era and subsequent rapprochement precedes an authoritative account of the 2011 revolution The final chapter brings the reader up to date with the current conflict as well as the migration crisis and the Manchester Arena bombers **African Armed Forces Journal**, 2005-02 The Battle of Alamein John Bierman, Colin Smith, 2002 The picture is large in scope juxtaposing the designs and delusions of grand strategy against the courage chaos and confusion of individuals in combat At Alamein Nazi Germany's hitherto unbroken succession of land victories was finally reversed and the mightiest war machine the world had ever seen suffered its first major defeat This riveting account is military history at its absolute best BOOK JACKET
