Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject Toni Morrison Jill L. Matus, 1998 An illuminating study of one of the best selling most widely studied black authors today Explains Morrison's relation to the American civil rights and Black Consciousness movements Places Morrison in a political and historical context *Studies in Short Fiction*, 1989 *The Impact of Racism on African American Families* Paul C. Rosenblatt, 2016-03-03 In spite of the existence of statistics and numerical data on various aspects of African American life including housing earnings assets unemployment household violence teen pregnancy and encounters with the criminal justice system social science literature on how racism affects the everyday interactions of African American families is limited How does racism come home to and affect African American families If a father in an African American family is denied employment on the basis of his race or a wife is demeaned at work by racist slurs how is their family life affected Given the lack of social science literature responding to these questions this volume turns to an alternative source in order to address them literature Engaging with novels written by African American authors it explores their rich depictions of African American family life showing how these can contribute to our sociological knowledge and making the case for the novel as an object and source of social research As such it will appeal to scholars and students of the sociology of the family race and ethnicity cultural studies and literature **Modern Black Writers** Manitou Wordworks, 2000 This 2nd edition covers approximately 170 of the most important black novelists poets and dramatists of the 20th century Entries include primary bibliographies for each author and excerpted criticism providing a comprehensive overview to the critical reception of each author Users will find updated critical analysis of most authors included in the first edition plus entries on twenty significant

writers and works published since 1950 The majority of the authors surveyed are African American but representative
African and Caribbean authors are also included Z. Angl. Am ,1999 **The Ghosts Within** Janna Odabas,2018-11-09
The ghost as a literary figure has been interpreted multiple times spiritually psychoanalytically sociologically or allegorically
Following these approaches Janna Odabas understands ghosts in Asian American literature as self reflexive figures With
identity politics at the core of the ghost concept Odabas emphasizes how ghosts critically renegotiate the notion of Asian
America as heterogeneous and transnational and resist interpretation through a morally or politically preconceived approach
to Asian American literature Responding to the tensions of the scholarly field Odabas argues that the literary works under
scrutiny openly play with and rethink conceptions of ghosts as mere exotic ethnic ornamentation **Masters Abstracts**
