Tony Pastor Father Of Vaudeville:

Tony Pastor, Father of Vaudeville Armond Fields, 2007 Pastor made contributions to the success of American vaudeville as a songwriter variety performer and theater owner From his early success as the owner of Tony Pastor's Opera House to his role as Little Man Tony this work offers a look at Pastor sr

The Life and Songs of Stephen Foster JoAnne O'Connell, 2016-09-29 The Life and Songs of Stephen Foster offers an engaging reassessment of the life politics and legacy of the misunderstood father of American music Once revered the world over Foster's plantation songs like Old Folks at Home and My Old Kentucky Home fell from grace in the wake of the Civil Rights Movement due to their controversial lyrics Foster embraced the minstrel tradition for a brief time refining it and infusing his songs with sympathy for slaves before abandoning the genre for respectable parlor music The youngest child in a large family he grew up in the shadows of a successful older brother and his president brother in law James Buchanan and walked a fine line between the family's conservative politics and his own pro Lincoln sentiments Foster lived most of his life just outside of industrial smoke filled Pittsburgh and wrote songs set in a pastoral South unsullied by the grime of industry but tarnished by the injustice of slavery Rather than defining Foster by his now controversial minstrel songs JoAnne O'Connell reveals a prolific composer who concealed his true feelings in his lyrics and wrote in diverse styles to satisfy the changing tastes of his generation In a trenchant reevaluation of his New York Bowery years O'Connell illustrates how Foster purposely abandoned the style for which he was famous to write lighthearted songs for newly popular variety stages and music halls In the last years of his life Foster's new direction in songwriting stood in the vanguard of vaudeville and musical comedy to pave the way for the future of American popular music His stylistic flexibility in the face of evolving audience preferences not only proves his versatility as a composer but also reveals important changes in the American music and publishing industries An intimate biography of a complex controversial and now neglected composer The Life and Songs of Stephen Foster is an important story about the father of American music This invaluable portrait of the political economic social racial and gender issues of antebellum and Civil War America will appeal to history and music lovers of all generations

The Soul of Pleasure David Monod, 2016-05-24 Show business is today so essential to American culture it's hard to imagine a time when it was marginal But as David Monod demonstrates the appetite for amusements outside the home was not natural it developed slowly over the course of the nineteenth century The Soul of Pleasure offers a new interpretation of how the taste for entertainment was cultivated Monod focuses on the shifting connection between the people who built successful popular entertainments and the public who consumed them Show people discovered that they had to adapt entertainment to the moral outlook of Americans which they did by appealing to sentiment The Soul of Pleasure explores several controversial forms of popular culture minstrel acts burlesques and saloon variety shows and places them in the context of changing values and perceptions Far from challenging respectability Monod argues that entertainments reflected and transformed the

audience's ideals In the mid nineteenth century sentimentality not only infused performance styles and the content of shows but also altered the expectations of the theatergoing public Sentimental entertainment depended on sensational effects that produced surprise horror and even gales of laughter After the Civil War the sensational charge became more important than the sentimental bond and new forms of entertainment gained in popularity and provided the foundations for vaudeville America's first mass entertainment Ultimately it was American entertainment's variety that would provide the true soul of pleasure Harper's Weekly, 1908 *Live Music in America* Steve Waksman, 2022 When the Swedish concert singer Jenny Lind toured the U S in 1850 she became the prototype for the modern pop star Meanwhile her manager P T Barnum became the prototype for another figure of enduring significance the pop culture impresario Starting with Lind's fabled U S tour and winding all the way into the twenty first century *Live Music in America* surveys the ongoing impact and changing conditions of live music performance in the U S It covers a range of historic performances from the Fisk Jubilee Singers expanding the sphere of African American music in the 1870s to Benny Goodman bringing swing to Carnegie Hall in 1938 to 1952's Moondog Coronation Ball in Cleveland arguably the first rock and roll concert to Beyoncé's boundary shattering performance at the 2018 Coachella festival More than that the book details the roles played by performers audiences media commentators and a variety of live music producers promoters agents sound and stage technicians in shaping what live music means and how it has evolved *Live Music in America* connects what occurs behind the scenes to what takes place on stage to highlight the ways in which live music is very deliberately produced and does not just spontaneously materialize Along the way author Steve Waksman uses previously unstudied archival materials to shed new light on the origins of jazz the emergence of rock n roll and the rise of the modern music festival *The Argonaut*, 1908 Readers' Guide to Periodical Literature, 1910 Readers' Guide to Periodical Literature Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1910 *The Editor*, 1909 *Dictionary of American Biography: Oglethorpe-Platner*, 1934 Collection of primary documents secondary reference sources and journal articles covering all areas of U S history from pre colonial times to the present day The DAB records the lives of prominent Americans who died by Dec 31 1980 **The Green Book Magazine**, 1909 AFI Catalog of Motion Pictures Produced in the United States American Film Institute, 1999 *The Editor; the Journal of Information for Literary Workers*, 1909 A History of Theatre in Oswego, New York, from Its Beginnings to 1875 Alfred E.
