Michael Pawuk, David S. Serchay, 2017-05-30 Covering genres from adventure and fantasy to horror science fiction and superheroes this guide maps the vast terrain of graphic novels describing and organizing titles to help librarians balance their graphic novel collections and direct patrons to read alike. New subgenres, new authors, new artists, and new titles appear daily in the comic book and manga world, joining thousands of existing titles, some of which are very popular and well known to the enthusiastic readers of books in this genre. How do you determine which graphic novels to purchase and which to recommend to teen and adult readers? This updated guide is intended to help you start, update, or maintain a graphic novel collection and advise readers about the genre. Containing mostly new information as compared to the previous edition, the book covers iconic super hero comics and other classic and contemporary crime fighter based comics, action and adventure comics including prehistoric heroic explorer and Far East adventure as well as Western adventure science fiction titles that encompass space opera, fantasy, aliens, post apocalyptic themes, and comics with storylines revolving around computers, robots, and artificial intelligence. There are also chapters dedicated to fantasy titles, horror titles such as comics about vampires, werewolves, monsters, ghosts, and the occult, crime and mystery titles regarding detectives, police officers, junior sleuths, and true crime comics, on contemporary life covering romance, coming of age stories, sports, and social and political issues, humorous titles, and various nonfiction graphic novels.

Lauxor Daniel Karhunen, 2020-11-09 On a distant planet, billions of sentient robots have lost access to the gift of metamorphosis. Enter Lauxor, a private detective bot charged with solving the mystery. With the help of a small team of fellow robots, Lauxor battles dinosaur bots, monster bots, robots from the past to discover just who's behind the bots' inability to change form.

Trans Scripts Part I: The Women Paul Lucas, 2019 Based on over seventy interviews conducted around the world by playwright Paul Lucas, *Trans Scripts Part I: The Women* is a compelling exploration of the lives of trans women as told in their own words. These unique and compelling stories are honest, funny, moving, insightful, and inspiring, but most of all, they are human, shedding light not on our differences but on what we all as humans share.

The Business of Children's Entertainment Norma Odom Pecora, 2002-03-06 For over 20 years, the development of children's television programming has been subsidized by toy manufacturers. The result has been an increased commercialisation of children's popular culture, the creation of a material world of childhood characterized by brand name toys, games, clothing, and television characters. Drawing on historical background and case studies, this book presents a unique look at the development of children as targets of the media and commercial industries and examines the economic and social forces that have defined the evolution of children's entertainment. This volume is of interest to professionals and students in media studies, mass communication, and related fields. Readers interested in contemporary children's culture and the content of children's programming.
