

B. The types of travel and tourism organisations, their roles and the products and services they offer to customers

B2. The key sectors of the travel + tourism industry - components of their role, and the products and services they offer to different types of customer

Different sectors offer a range of T+T products and services. The sectors are interdependent upon each other. Products + services can be:

Tangible – something that is a physical item

Intangible – an experience; sightseeing, visitor attraction
