Happened to You? Sylvia Longmire, 2021-05-25 One woman Four wheels No limits Between late 2015 and early 2021 award winning accessible travel writer Sylvia Longmire visited 48 countries 34 of those solo 176 cities flew 444 714 miles and spent 522 days away from home all while completely relying on an electric wheelchair for mobility Some call her crazy for traveling alone without the ability to walk while others call her courageous for breaking the many stereotypes associated with disability She just calls herself fortunate to have the opportunity to see so much of the world while her multiple sclerosis slowly progresses But this book isn't just about the sights and landmarks and landscapes Sylvia has seen from Singapore and Sydney to Dublin and Dubai It's also about all the fascinating curious unusual and helpful people she has met along the way and the lessons they've taught her about the world and herself Some of her travel stories are funny some are introspective and others are downright gut wrenching But as you'll read in these pages they serve as the ultimate answer to the most common of questions asked of wheelchair users everywhere What happened to you **Blogging While Disabled** Sylvia

Longmire, 2020-05-18 Do you have a story to tell Do you know a lot about a particular topic Are traditional employment options out of reach because of your disability Then this is the book for you Too many people assume that wheelchair users have little to contribute to the professional world or are unable to work simply because of their disability We know nothing could be further from the truth we just need to be presented with the opportunity In *Blogging While Disabled* I will help you create that opportunity by showing you how to share your message with the world and how to make money doing it One of the best ways to start earning income when your wheelchair keeps you at home is by writing Some people think you have to be the next Ernest Hemingway to start a blog but all you really need is an idea and some motivation This book will help you discover your passion as well as your voice for expressing it You will learn the nuts and bolts of creating a blog from coming up with a name to ideas for blog posts You will also learn strategies for helping potential readers discover you including social media sharing and search engine optimization There are also plenty of links and resources available throughout the book when you're ready to dive deeper into the world of professional writing Award winning accessible travel writer and author Sylvia Longmire has been writing professionally since 2003 and working from home as a full time wheelchair user since 2014 In that time she has developed a highly successful career writing about wheelchair travel disability advocacy and

border security She has also started several successful businesses to create a brand that is now recognized around the world In Blogging While Disabled Sylvia shares everything she s learned that has made her a successful writer who just happens to use a wheelchair

The View from Down Here Sylvia Longmire,2017-11-22 Where do you want to roll today Accessible travel writer explorer and photographer Sylvia Longmire asks herself this question every day as she lives her very active life from the vantage point of a power wheelchair Despite having been diagnosed with multiple sclerosis MS in 2005 and being completely unable to walk she refuses to let that slow her down With her sense of adventure and camera in hand she and her electric scooter have set out to see what the world has to offer while her body still lets her In most cases it s impossible to truly walk in someone else s shoes But in The View from Down Here you can finally see the world through the eyes of a wheelchair user From the glaciers of Iceland to the ancient ruins of Greece you ll be amazed at what a person with a physical disability can observe and experience today despite all the obstacles that still remain She has captured all the raw emotion of the Western Wall in Jerusalem the soothing sounds of crashing waves in Crete and the patience of an elderly accordion player waiting for tips in Ljubljana After absorbing Sylvia s stunning images from across the globe you ll want to know how you can get there too Sylvia became a full time power wheelchair user in 2014 and while she traveled extensively prior to her diagnosis she only started traveling internationally with her electric scooter in 2016 Refusing to wait for someone to be available to accompany her Sylvia usually travels the world alone She has documented several of her wheelchair accessible destinations in vivid photographic detail in The View from Down Here and also writes about their wheelchair accessibility in her travel blog Spin
