TREASON, TREACHERY & DECEIT James D. Norvell, J. Kennedy* Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **The Elite Serial Killers of Lincoln, JFK, RFK, & MLK** Robert Gaylon Ross,2001 Discusses the assassinations of President Lincoln President Kennedy Martin Luther King Jr and Robert Kennedy *The assassinations* James DiEugenio,Lisa Pease,2003-02-01 Culled from the pages of Probe magazine these stories delve deeply into the mysteries and hints of conspiracy in the political murders that shocked the nation in the 1960s covering the assassinations of John and Robert Kennedy Martin Luther King Jr and Malcolm X Original **Killing the Truth** Harrison Edward Livingstone,1994-08-01 Offers new evidence and the testimony of expert witnesses to contradict articles that have attempted to bolster the long discredited conclusions reached by the Warren Commission **Conspiracy to Assassinate President John F. Kennedy, Dr. Martin Luther King Jr. and Senator Robert F. Kennedy.** John Patrick Roach,2013-07 This book is about grasping power and once achieving it using that power to assassinate all challengers to the power gained

The Warren Commission Report concluded that Lee Harvey Oswald acted alone and was not part of a conspiracy and went on to say that there is no evidence of a conspiracy. This report pacified the American public for the last 49 years. Logic and Reason dictates otherwise. Each of us have the ability to use our own logic to determine who had the most to gain from the President John F Kennedy assassination. However it seems unreasonable that he could do it alone and get away with it. So it doesn't pass the reason test. Therefore logic again comes into the equation that would require a co conspirator capable of providing a complete cover up so the conspirators will never be caught. The co conspirators need only patsies to take the blame with promises of a fee or fame or whatever satisfies their weaknesses. With the Kennedy assassination completed and blamed on Lee Harvey Oswald who is murdered before he can utter more than "I'm just a patsy" the American population seems satisfied that he paid for his crime while the conspirators remain free. Using the same procedure of patsies to take the rap the logical conspirators assassinate Martin Luther King Jr and Senator Robert Kennedy a leading Democratic Candidate for President in 1968 and got away with it. Your use of logic and reason may lead you to the same conclusion that a conspiracy of the highest magnitude took the lives of these three idealists.

Assassination! Stephen Goode, Rod Slater, 1979-01-01. Discusses the assassinations of President Kennedy, Martin Luther King Jr and Robert Kennedy, the investigations of the murders and the lingering suspicions that these crimes are still unsolved.

Betrayal in Dallas Mark North, 2013-10-01. John F Kennedy was assassinated in Dallas by Mafia contract killers hired by Louisiana mob boss Carlos Marcello. Longtime local district attorney Henry Wade, an LBJ crony who would have sole jurisdiction over the prosecution of those responsible, had been corrupted by the local Civello crime family. Lyndon B Johnson, while a US senator during the 1950s, had accepted bribes from the same mobsters so that they could avoid deportation. With incredible detail and documentation, Mark North pieces the puzzle together to reveal how in late 1961 US Attorney General Robert Kennedy and his brother John, who hated LBJ, initiated a covert Organized Crime Task Force investigation of the Civello mob in Dallas. Johnson, through Wade and local federal officials he had placed in power, learned of the plan and cooperated with the Civello mob to have JFK killed. Johnson did this in part because he had the power to control any subsequent federal investigation via FBI director J Edgar Hoover. After the Mafia killed JFK, Johnson stopped Robert Kennedy's prosecution of the Dallas Mafia.

Betrayal in Dallas is unlike any book written on the JFK assassination. Because its conclusions are based on classified federal documents unknown to the public and research community, it will startle and convince all those who read it. Betrayal in Dallas is what the American people have been waiting for since November 22, 1963.

Legacy of Secrecy Lamar Waldron, Thom Hartmann, 2009. A compelling narrative that unveils behind the scenes account of America's biggest political scandals of the 20th century. The crack of rifle fire in Dallas that killed John F Kennedy didn't just start a frantic effort to find his assassins. JFK's murder also launched a flurry of covert actions by officials like Attorney General Robert F Kennedy and Lyndon Johnson to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK authorised coup.

The plan's exposure could have cost the life of JFK's coup leader Cuban Army Commander Juan Almedia and led to a nuclear confrontation with the Soviets just a year after the Cuban Missile Crisis. But the cover-ups by these top officials also had the tragic effect of preventing a full investigation into JFK's assassination, spawning a legacy of secrecy that would impact Presidents, Congress, and US foreign policy for the next 45 years. *Legacy of Secrecy* reveals for the first time the secret attempts of Robert F. Kennedy and his aides to expose his brother's killers using interviews with two dozen RFK associates and newly declassified files from the National Archives. *Legacy* shows how RFK continued his war against the Mafia by focusing increasing attention on the godfathers behind JFK's assassination until his own murder. RFK's associates continued his quest and almost exposed the truth on six different occasions. But like a deadly high-stakes chess game at the height of the Cold War, each time they were blocked by three Mafia chiefs and a handful of CIA operatives. *Legacy* details each step taken by mob bosses Carlos Marcello, Santo Trafficante, and Johnny Rosselli to hide their involvement in JFK's murder, including several spectacular murders of Congressional witnesses. *High Treason* by Harrison Edward Livingstone, Robert J. Groden, 1998. A revised edition of the analysis which argues that a conspiracy existed to remove President Kennedy. **The Poison Patriarch** by Mark Shaw, 2016. **Three Assassinations** by Facts on File, Inc., Lester A. Sobel, 1971.
