Eighteenth-Century Lankan Monastic Culture Anne M. Blackburn, 2020-07-21 Anne Blackburn explores the emergence

of a predominant Buddhist monastic culture in eighteenth century Sri Lanka while asking larger questions about the place of monasticism and education in the creation of religious and national traditions Her historical analysis of the Siyam Nikaya a monastic order responsible for innovations in Buddhist learning challenges the conventional view that a stable and monolithic Buddhism existed in South and Southeast Asia prior to the advent of British colonialism in the nineteenth century The rise of the Siyam Nikaya and the social reorganization that accompanied it offer important evidence of dynamic local traditions Blackburn supports this view with fresh readings of Buddhist texts and their links to social life beyond the monastery Comparing eighteenth century Sri Lankan Buddhist monastic education to medieval Christian and other contexts the author examines such issues as bilingual commentarial practice the relationship between clerical and popular religious cultures the place of preaching in the constitution of textual communities and the importance of public displays of learning to social prestige Blackburn draws upon indigenous historical narratives which she reads as rhetorical texts important to monastic politics and to the naturalization of particular attitudes toward kingship and monasticism Moreover she questions both conventional views on traditional Theravadin Buddhism and the Buddhist modernism Protestant Buddhism said to characterize nineteenth century Sri Lanka This book provides not only a pioneering critique of post Orientalist scholarship on South Asia but also a resolution to the historiographic impasse created by post Orientalist readings of South Asian history

Buddhist Approach to Global Education in Ethics Thich Duc Thien, Thich Nhat Tu, 2019-04-16 EDITORS

INTRODUCTION This volume is a collection of papers presented at the international workshop on Buddhist Approach to Global Education in Ethics which is being held on May 13 2019 at International Conference Center Tam Chuc Ha Nam Vietnam on the occasion of the 16th United Nations Day of Vesak Celebrations 2019. The aim is to throw new light on the values of the global ethical system with a focus on the Buddhist approach in deepening our understanding of how Buddhist ethics can deliver a social change in the globalized world.

REVIEW OF CONTENTS Prof P D Premasiri in his paper titled 'Universally valid ethical norms of Buddhism applicable to global education in ethics' deals with hindrance in determining the basis for global education in ethics and providing undeniable facts about the diversity involved in ethical norms principles and attitudes of various global communities. The author also discusses the characteristics of Buddhist teaching on a humanistic approach to the moral life with perceptions of enlightened humans i.e. Knowledgeable Persons *vi puris*. The paper places further emphasis on the necessity to draw the attention of educators to train the minds of humans on ethical choices in accordance with such decisions. The paper entitled 'Teaching Buddhist Ethics through the Life of the Buddha and Jesus' by Abraham Velez De Cea has proposed a new approach to the Buddhist ethical way of teaching and its application through interpretations of the Buddha's life from the perspective of virtue ethics and meditation. The purpose is to heighten the Buddhist contribution being made to global education in ethical issues. The paper is divided into two parts: Buddhist ethics as a form of virtue ethics and secondly interpretation of the Buddha's teachings from the perspective of virtue ethics and meditation.

Buddhist Answers: For the Critical Questions Yalith Wijesurendra, 2013-12. The Buddhist Answers contains detailed answers for the critical philosophical questions asked about Buddhism. This book is a result of extreme hard work of the author researching into the lengthy Tripitaka, the doctrine of Lord Buddha. This book intends to establish a rational basis to the Buddhist beliefs. Lord Buddha preached in Jnanasaara Samuccaya that 'As the wise test gold by burning, cutting and rubbing it on a piece of touchstone, so are you to accept my words after examining them and not merely out of regard to me.' The author did his level best to avoid personal opinions but to provide coherent answers by directly referring to various discourses by Lord Buddha in Tripitaka. This book can play a vital role in the international propagation of Buddhism. Buddhist missionaries can use this book as a handbook to answer the various philosophical questions which they encounter.
