Treasures and Travails Chuma Mbaeyi, 2015-05-15 In *Treasures and Travails An Anthology* Mbaeyi investigates lives immaterial treasures and the torments that often accompany them in poems organized under four sub themes The book opens with *A Blade of Grass* a metaphor for the Christian belief in resurrection setting the stage for other poems under the sub theme of Nature hence the anthology segues from talk of amorous thrills to the conflicts and contradictions that pervade human experience Part Three opens with a reawakening of the life of an insomniac in the witty *In Search of Sleep* before touching on matters of patient confidentiality in *Oath of Silence* Conflict and its elusive promise of reprieve is explored on a broad scale in *Forever Beyond Our Reach* and its interplay with the emotion of love is at the fore in *Where Memories Meet* In the Final section hope and despondency mirror the evanescence of life's treasures and travails as one supplants the other in the poems included under the eponymous sub theme Join Toyosi in his quest for an alternate vision of his ancestral home in *A Country Called Sub Saharan Africa* and enter the dark world of a fallen star as her footsteps fade into the night in *Stalked* Ultimately however when the very core of man's existence is challenged by adversity hope is what keeps the spirit alive and it often takes provenance from a rallying symbol hence the book closes on a note of optimism in *Golden Face of A Lost*
