Oisín McGann, 2015-04-14 Are you being watched Before she turns twenty one Amina Mir intends to have one of her stories published on the front page of the Chronicle So when she gets an internship there she s thrilled even if it means a summer making coffee and writing human interest stories Then she interviews Ivor McMorris A veteran of the war in Sinnostan Ivor is convinced that someone interfered with his memories while he was there but if he does anything about it the watchers will make him disappear At first Amina is skeptical As the daughter of a major in the Royal Marines she knows that veterans often suffer from posttraumatic stress disorder But when she meets Chi Sandwith a conspiracy investigator who has spoken to dozens of soldiers like Ivor Amina realizes that she may have stumbled upon the biggest and most terrifying government cover up ever Now if only she can break the story before disappearing herself **The Need for Fear** Oisín

McGann, 2015-07-28 A young journalist uncovers what might be the world s biggest conspiracy if only he can prove it For years Chi Sandwith has written about things like alien abductions puppet masters and brainwashing He s not a conspiracy theorist though he s a serious journalist and a seeker of the Truth When Chi meets a man who claims to be a former secret agent it looks like evidence of a huge conspiracy has landed right in the reporter s lap But can Chi believe a single word he hears from the professional liar And why is the old spook so intent on introducing Chi to a woman who could expose the agent s dark past Over the course of 1 day Chi is faced with spies anarchists a tough as nails policewoman a highly valuable refrigerator and a very harsh truth He is a rank amateur in a world of dangerous professionals The Need for Fear is a companion novella to Strangled Silence [Children's Fantasy Literature](#) Michael Levy, Farah Mendlesohn, 2016-04-16

Irish Children's Literature and Culture Keith O'Sullivan, Valerie Coghlan, 2011-03-17 What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children s literature whatever the parameters in comparison with Ireland s contribution to adult literature in the twentieth century This volume looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with all the major forms and genres Topics include the gothic the speculative picturebooks poetry post colonial discourse identity and ethnicity and globalization Modern Irish children s literature is also contextualized in relation to Irish mythology and earlier writings thereby demonstrating the complexity of this fascinating area The contributors who are leading experts in their fields examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one This groundbreaking work is essential reading for all interested in Irish literature childhood and children s literature
