Elder Wisdom Eugene C. Bianchi, 2011-08-17 Elder Wisdom invites us to a refreshing new vision of aging in the company of one hundred creative elders who share their insights and experiences about getting older These mentors invite us to reflect on their lives so that we can reflect on our lives with pertinent questions about how we are eldering They don't promise us an ageless body or a timeless mind but rather practical wisdom on how we can grow inwardly and reach out during later life in exciting and rewarding new ways Over a two year period Eugene Bianchi interviewed more than one hundred older people for this book Their ages range from the midsixties to centenarians They range from well known people such as Jimmy Carter Maggie Kuhn E G Marshall Tillie Olsen Desmond Tutu Martin Marty and June Singer to an electrician a teacher a homemaker an entrepreneur an artist and a bookstore owner The selection is at once diverse and universal The book's gift is its power to draw us into lives that are similar to our own so that we can apply its elder wisdom to ourselves Topics covered include learning from work and life's turning points empowering your elder self expanding reaching out cherishing your family cultivating friendships encountering mortality developing a personal spirituality and sharing gifts of wisdom Elder Wisdom is not just for the still active elder It is a pathfinder that will help all of us move toward elderhood in creative and promising ways

Searching for the Truth About Drugs Marty Gruber, Jack Donaldson, 2012-06-27 If you have ever wondered what it would be like to travel the road that a drug addict has chosen sit back and read about the road into living hell and back Marty Gruber abused drugs for 45 years and he attempted suicide immediately before he found the door of escape from drug abuse and the key to a meaningful life With the aid of Providence Marty found long term meaning and in the process he has been given the privilege of warning teens about the trap of drug abuse Research performed in 2010 shows that 48.2 percent of America's high school seniors have tried illicit drugs In 2011 the National Institute on Drug Abuse NIDA reported that drug abuse cost the United States six hundred and nine billion dollars 609 000 000 000 is not a typo Most drug addicts die from their addiction because becoming drug free requires help and many never find that help Research shows that for each dollar invested in drug abuse prevention a savings of up to ten dollars in rehabilitation treatment can be achieved A teenager can't see as far down the road as a seventy five year old man who has already been down that road to just short of its logical end death In Marty's case this was attempted suicide Marty has returned to warn others not to take the road leading to drug abuse
