With You Beside Me Catherine Anderson, 2001 Jayber Crow Wendell Berry, 2001-08-30 This is a book about Heaven says Jayber Crow but I must say too that I have wondered sometimes if it would not finally turn out to be a book about Hell It is 1932 and he has returned to his native Port William to become the town's barber Orphaned at age ten Jayber Crow's acquaintance with loneliness and want have made him a patient observer of the human animal in both its goodness and frailty He began his search as a pre-ministerial student at Pigeonville College There freedom met with new burdens and a young man needed more than a mirror to find himself But the beginning of that finding was a short conversation with Old Grit his profound professor of New Testament Greek You have been given questions to which you cannot be given answers You will have to live them out perhaps a little at a time And how long is that going to take I don't know As long as you live perhaps That could be a long time I will tell you a further mystery he said It may take longer Wendell Berry's clear sighted depiction of humanity's gifts love and loss joy and despair is seen through his intimate knowledge of the Port William Membership
