Within Me Without Me Adoption An Open And Shut Case:

Birth Fathers and Their Adoption Experiences Gary Clapton, 2003 Virtually all literature about birth parents of adopted children has focused on mothers In this pioneering study Gary Clapton gives us a fresh perspective he recounts the experiences of thirty birth fathers separated from their children at birth Discussing different notions of fatherhood such as biological paternity social fatherhood sperm donorship and the father figure this informative book the first on birth fathers in adoption brings new light to issues such as the decision to give up a child for adoption the child's desire to find his or her birth parents and the facilitation of contact in later life Written in an accessible style with insights into adoption and social work practice past and present *Birth Fathers and their Adoption Experiences* offers a vital new perspective on understanding the causes and consequences of adoption and makes positive suggestions for working with those whom it affects *A Sense of Something Lost* Sue Wells, 2020-02-28 Everyone has a story to tell and can feel trapped by it This inspirational memoir *A Sense of Something Lost* is about liberation after years of restlessness and searching Sue Wells asks can a woman who has experienced the trauma of a forced adoption be free to live her life Do traumas whatever their nature shape define or ruin our lives Or encourage us to see that our greatest challenges are also keys to the freedom we seek enabling us to find who we are beyond our personal story For anyone trapped by their story this is a radical way of finding freedom through ancient Eastern mysticism by realising what can never be lost *A Failure of Proportion* Samantha M Davey, 2020-06-11 This book explores non consensual adoption an area of law which has sparked considerable debate amongst academics practitioners and the judiciary nationally and internationally The emphasis of this book is on the circumstances in which non consensual adoption may be regarded as a proportionate measure and when less severe forms of intervention such as long term foster care or kinship care may also meet children's needs while providing protection to children's rights under the European Convention on Human Rights The book builds on existing literature on adoption law but takes the discussion in new directions placing an emphasis on the need to closely scrutinise children's and parents rights at all stages of the adoption process not simply when parents appeal against the making of an adoption order A unique feature of this book is its emphasis on routinely incorporating key provisions from the United Nations Convention on the Rights of the Child into analysis when determining whether an adoption order is a proportionate measure *A Child for Keeps* J. Keating, 2008-12-11 The history of adoption from 1918 1945 detailing the rise of adoption the growth of adoption societies and considering the increasing emphasis on secrecy in adoption Analyses adoption law from legalization in 1926 to regulation and reform in the 1930s with regulations finally being enforced in 1943 amid concern about casual wartime adoptions *Motherhood* Andrea O'Reilly, Marie Porter, Patricia Short, 2005-08-25 In feminism the institution of mothering motherhood has been a highly contested area in how it relates to the oppression of women As Adrienne Rich articulated in her classic 1976 book *Of Woman Born* Motherhood as Experience and Institution although motherhood as an institution is a male defined site of oppression

women's own experiences of mothering can nonetheless be a source of power This volume examines four locations wherein motherhood is simultaneously experienced as a site of oppression and of power embodiment representation practice and separation Motherhood Power and Oppression includes psychological historical sociological literary and cultural approaches to inquiry and a wide range of disciplinary perspectives qualitative quantitative corporeal legal religious fictional mythological dramatic and action research This rich collection not only covers a wide range of subject matter but also illustrates ways of doing feminist research and practice

Within Me, Without Me Sue Wells, 1994 **Child Welfare Services** Malcolm Hill, Jane Aldgate, 1996-01-01 The contributors to this book provide a comprehensive review of child care policy and practice They present evaluations and critiques of new or impending legislation and policies and describe innovative services for children and young people who are deemed to be in need of protection care or control as a result of abandonment neglect ill treatment offending or other difficulties They also examine changes in adoption law where such issues as placement policies in relation to children from ethnic minorities intercountry adoption and the trend towards greater openness have become prominent and controversial in recent years *Principles of Family Law* Stephen Michael Cretney, Judith M. Masson, 1997 Combining legal principles with discussion of policy and practice issues this updated edition takes account of a large body of important case law developments which have accumulated in relation to the Children Act It also reflects the Child Support Act divorce reform and the reform and codification of the law governing remedies against domestic violence The work also covers the international dimension outlining the rules governing cross frontier jurisdiction and enforcement The European Convention on Human Rights is covered in detail **Child Adoption** R. A. C. Hoksbergen, 1997 Child Adoption is a straightforward concise and comprehensive guide which adoptive parents and the professionals who advise them will find invaluable R A C Hoksbergen covers the practical and emotional issues and possible problems which affect child and parents in adoption such as preparation of the family and the child adopting from different races or cultures and dealing with discrimination helping the child adjust to school discussing the adoptive status with the child This handbook provides much needed information so that everyone involved in the adoption process can make educated and fully thought out decisions It is invaluable reading for any professional involved in the process of adoption including adoption workers and lawyers social workers and couples who are considering adoption Whitaker's Books in Print, 1998

New Books on Women and Feminism, 1995 *International Bibliography of Sociology* 1995, 1996 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences Feminist Bookstore News, 1994

Lifegivers James L. Gritter, 2000 In this book open adoption practitioner Jim Gritter examines all the ways in which birthparents are marginalized He provides a glimpse of birthparents emotional roller coaster ride as they struggle with grief ambivalence and regret Most importantly he makes the case that if adoption exists to benefit children then adopted children

are best served when birthparents and adoptive parents work together Public Welfare ,1995 Motherhood Silenced
