Witness To The Fire Creativity And The Veil Of Addiction

Matthew Anderson

Witness To The Fire Creativity And The Veil Of Addiction:

Witness to the Fire Linda Schierse Leonard, 1989 The author explores the relationship between addiction and creativity in the lives and works of great writers including Eugene O'Neill, Fyodor Dostoevsky, Jack London and more The War Of The Gods In Addiction DAVID E. SCHOEN, 2020-12-15 The War of the Gods of Addiction based on the correspondence between Bill W one of the founders of Alcoholics Anonymous and Swiss psychiatrist C G Jung proposes an original groundbreaking psychodynamic view of addiction Using insights from Jungian psychology it demonstrates why the twelve steps of AA really work It explores through theoretical and clinical material modern and ancient myths and fairy tales the crucial process of neutralizing the archetypal shadow archetypal evil an aspect of all true addictions It also explains how dreams may be used in the diagnosis and treatment of addiction This book bridges the longstanding gap between the mental health and twelve step recovering communities in ways that significantly encourage mutual understanding and benefit Previously published by Spring Journal *Living on the Edge* Elizabeth Wilde McCormick, 2002-01-30 This is a complex book It offers clarification and a sense of reassurance but does not intend to provide answers and is not for those seeking concrete direction This will be a powerful read for many in a place of loss chaos or existential angst Alison Cooper Psychotherapy and Counselling Drawing on sources as diverse as medical and psychological theory anthropology religious and spiritual tradition art and poetry experienced psychotherapist Elizabeth Wilde McCormick explores the different elements of the edge the images dangers safe places and offers a unique handbook which charts that often lonely and alien territory The Natural Medicine Guide to Addiction Stephanie Marohn, 2025-09-12 Medical journalist Stephanie Marohn eases the pain and trauma of addiction recovery in this guide one in a series dealing with ailments such as anxiety and depression In layman's terms she discusses how chemical imbalances in the brain create addiction and withdrawal symptoms and how they can be restored Suggestions include amino acid supplements to regulate sugar levels herbs such as chamomile valerian root to relax the nervous system acupuncture aromatherapy candle therapy and so on Marohn's view of addiction is clear enough to see the big picture which encompasses everything from crippling drug addiction to minor apparently harmless habits such as compulsive shopping According to Marohn addiction is a problem that affects over 100 million people every year and needn't be seen as either freakish or a sign of weakness Furthermore there is a way to recover that does not compromise a holistic lifestyle through pharmaceutical medicines should one choose this path **Witness to the Fire** Linda Schierse Leonard, 1989 The author explores the relationship between addiction and creativity in the lives and works of great writers including Eugene O'Neill, Fyodor Dostoevsky, Jack London and more Voice of Her Own Marlene A. Schiwy, 1996-05-27 As writers such as Virginia Woolf Audre Lorde and Anais Nin recognized keeping a journal is a powerful tool of creative expression and self healing In *A Voice of Her Own* a companion for both new and longtime diarists Marlene Schiwy shows that journal writing is the ideal way to find one's individual voice an opportunity for women to explore feelings intuitions perceptions and ideas often suppressed

in our society and to record the truths of their own experience Schiwy invites readers to share the journeys other women have made toward selfhood and encourages them to begin a journey of their own She weaves together passages from published and unpublished journals from works of literature psychology and women s studies with her personal insights A Voice of Her Own is a treasure chest of inspiration for every woman seeking deeper self awareness and new outlets for creativity

America on the Couch Pythia Peay,2015-04-01 What lies behind America s historic romance with the gun Why does it have such a troubled relationship with alcohol and drugs Why is it so wedded to consumerism and so resistant to the evidence of climate change What are its enduring myths about individuality freedom and independence and how might we re imagine our vision of the United States as the Promised Land and The City on the Hill to reflect a multiculturalism that offers the last best hope for the world In a two decades long journey through the American psyche depth journalist Pythia Peay has asked these and many more questions of no fewer than thirty six of the world s leading psychologists and psychoanalysts From Robert Jay Lifton to Marion Woodman A Thomas McLellan to Judith V Jordan Mihaly Csikszentmihalyi to June Singer and James Hillman to Mary Pipher the thinkers in America on the Couch discuss violence addiction the environment capitalism and consumerism politics and power and the soul of America The result is a uniquely comprehensive wide ranging and compelling kaleidoscope of insights into the psychodynamics of a hegemon in peace and at war as it confronts the shadows of the American century and charts its way into an uncertain multi polar future Featuring Stephen Aizenstat John Beebe Bonnie Bright Gary S Bobroff Mihaly Csikszentmihalyi Philip Cushman Larry Decker Raymond De Young Edward Edinger Michael Eigen Stephen J Foster Charles Grob Bud Harris A Chris Heath James Hillman Judith V Jordan Donald Kalsched Robert J Langs Linda Schierse Leonard Harriet Lerner Robert Jay Lifton A Thomas McLellan Thomas Moore Ginette Paris Mary Pipher Ernest Rossi Andrew Samuels Erel Shalit June Singer Thomas Singer Lawrence Staples Murray Stein Charles B Strozier Paul Wachtel Karen B Walant Marion Woodman and Luigi Zoja
