Uncovering the Secrets of Bible Prophecy Jeff Kinley, 2018-11-06 Can I

know for sure what's in store for the future With so much hype about the signs of the times it's more important than ever to know what God really said was going to happen It's not enough to take someone else's word for it You must know how to uncover prophetic truths in the Bible for yourself In this easy to read yet extremely helpful guide to understanding the nature and purpose of the prophetic passages in Scripture Jeff Kinley will show you the five biggest mistakes people make when it comes to Bible prophecy how to sort fact from fiction and spot false prophets the major views and interpretive principles you need to know the difference Bible prophecy makes in your life right now The future may seem like one big mystery but it doesn't have to be God has made His plans evident to all And when you know what He has revealed you can face the last days with a confident assurance of His provision and victory

Ancient Ufo Prophecy Daniel F. Owsley, 2012-03-15 'Tis the time to take a hard look at ancient UFO prophecy that's recently been uncovered And as any reader shall see thousands of years ago the current UFO explosion was prophesied Even modern Bible codes warn of these events For these are some of the predictions 2012 rising judgements large tongue like sun flares whole earth smitten with fear planetary panic stricken UFO increase fragmentary terrifying signs in the heavens annihilation of disbelief alien contacts death lethal disasters calamity no contact invasion days of trumpets times of terror cattle mutilation watchmen on the walls alien abductions solar storms great apostasy Jesus saves rest in him alone And for doubters of the accuracy of past Bible codes they have previously kicked out the following clusters Iraq war Saddam Hussein hung World Terrorism casualties World Trade Centre Japan disaster Obama war on terrorism Osama bin Laden killed Afghanistan Matthew 24 global depression unrest Mideast revolution end of days And at the end of the day any reader of Ancient UFO prophecy shall have to admit that this is by far the one extraterrestrial book that's much farther out of this world than any others ever written since much of it has been written by people like Leonardo Davinci who only prophesied on paper alone Read therefore the Davenci secret and come into the light of true spiritual enlightenment concerning our visitors from our great beyond The Third Day Bible Code Kermit Zarley, 2006 i

The Third Day Bible Code i examines a third day motif that occurs in some of the most important events in the history of Israel recorded in the Bible Whether one agrees with the author's sensational thesis about the timing of Christ's return this

book will serve as a strong apologetic for Jesus resurrection and strengthen Christians in their faith **Biblical Code Found on the Face of the Great Pyramid Reveals: the Return of Christ in 2040** Gary Brannock,2012-04-24 In Revelation John is given an enigmatic vision which is filled with apocalyptic world events to take place just prior to the return of Christ Therefore for centuries countless scholars have attempted to interpret the dream and reveal when these future events would come to fruition But because of its vague and confusing scenarios they were left perplexed and could only speculate and theorize as to what John was attempting to convey in his prophecy This writing begins by comparing the stone coffer in the Great Pyramid to the Bibles lost Ark of the Covenant and in doing so many astounding revelations are brought to light But when I focus solely on the pyramid itself I stumble across a cryptic clue And once I unravel its hidden mystery a 15 000 year old secret is revealed that connects the Great Pyramid to God the Holy Bible and Christ and leads me straight to the book of Revelation in which for the first time ever Johns vision is revealed Upon reading this book you will understand that the reason for the ambiguity of Johns vision was because it was not meant to be interpreted until the end of time was at hand But moreover you will learn the location of the mysterious city of Babylon the location of the bottomless pit when the Antichrist will enter into the world from out of the pit how and from where he will rise to power who will crown him as a king and of his greatest miracle that will deceive many nations into believing he is the risen Christ But most imperative you will learn that because Johns vision has been revealed in advance that at present its a prophecy in the form of a warning but also that if this warning is not heeded it is soon to become one of destiny 2012 and the End of Institutional Evil Herbert Stollorz,2008-09-17 2012 and the End of Institutional Evil is an edited digest of Herbert R Stollorz two books Apocalypse Prophesied and Mystery of Tammuz 17 Its 209 pages provide the core discoveries and reasoning found in the 1 000 pages of those two books A projected calendar of events describes the key players in the biblical Last Days Satan Antichrist and the Mahdi The books use science and mathematics to uncover extraordinary information in the Bible that theologians routinely miss This unique approach presents a revolutionary new way of looking at the universe The first book focused on God s Plan for Humanity from before time into eternity The second book detailed Herbert R Stollorz research methodology and thinking in an expanded discussion of the Last Days and the book of Revelation His third book Asteroid Answers to Ancient Calendar Mysteries presents a hypothesis that explains why confirmation to the dating of key events in Bible prophecy may be found in the calendars and clocks of ancient cultures located around the world It also explains other ancient mysteries by resolving apparent discrepancies between science and the Bible The Lord of the Sabbath Opens His Book of Revelation Christopher Fung,2017-09-11 Intuitive logical thinking would suggest that Revelation should be One biblically coherent and complete narration That uses only natural and biblical symbols To retell God s consistent work from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person For the creation which God loves and will glorify To close God s written oracle to humankind But almost no one has been able to demonstrate these

Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo Christianity to prompt a response from every person made in God's image Poignantly it shines a light on the current global crises environmental political religious and economic This book's common sense context first exegesis sets it apart from most other Revelation commentaries on the market *A Stone in My Shoe* J. Michael Walters, 2021-06-15 What's more miserable than trying to walk with a stone in your shoe Many American evangelicals are experiencing pain and discomfort in their relationship to the church Stones in their shoes make the faith journey uncomfortable and increasingly untenable They either leave the church altogether become church shoppers or live on the margins of the church as outliers This book presents the vantage point of a lifelong evangelical pastor and religious educator who sees himself as an outlier Walters draws on decades of pastoral life and classroom experience to engage the church in a conversation aimed at clarifying the concerns and discomforts of evangelical outliers While this is one person's story it intersects with the stories of many others in American evangelicalism especially clergy In identifying the stones which trouble and discomfort so many like him Walters continually calls the church his church back to its biblical and theological foundations Sacred Number Mysteries Wynn Umbra, AI, 2025-02-14 Sacred Number Mysteries explores the fascinating intersection of religion and mathematics revealing how numbers are not merely quantitative tools but deeply symbolic elements shaping spiritual understanding across faiths The book delves into sacred geometries and divine numerology illustrating how these numeric frameworks provide unique lenses for interpreting religious texts rituals and artistic expressions Discover how numbers influence everything from the architectural designs of sacred spaces to the interpretation of prophecy Historically numbers have served as bridges between the human and the divine with cultures like the ancient Egyptians and Pythagoreans attributing significant meaning to them This book guides readers through a progressive exploration beginning with the historical significance of numbers and moving into specific examples of sacred geometries in religious architecture and art Subsequent chapters focus on divine numerology illustrating how numbers interpret scripture predict future events and reveal personal destiny within various belief systems The book offers a comparative cross cultural examination of numeric symbolism in religions like Christianity Judaism Islam Hinduism and Buddhism highlighting common threads and unique expressions of numeric spirituality By decoding numeric symbolism readers gain access to meaningful insights and deeper interpretations of religious practices Sacred Number Mysteries culminates by illustrating the practical applications of this knowledge in contemporary spiritual practices making it a valuable resource for religious studies enthusiasts spiritual seekers and anyone interested in the intersection of numbers and belief *Apocalypse When?* Leah D. Schade, Jerry L.

Sumney,2020-09-09 Apocalyptic texts are often seen as either frightening or irrelevant a tool for fearmongering and manipulation or for the lucrative doomsday industry But Apocalypse When Interpreting and Preaching Apocalyptic Texts equips readers to understand these texts as sources of encouragement and strength for the church As the world faces threats of war poverty climate and environmental crises and political upheaval churches can draw on the wisdom and courage of our biblical ancestors who faced their own calamities and persecutions Their struggles against powerful economic militaristic cultural and social forces drew them closer to God We have much to learn from their faith ethical integrity and dedication to the promises of God that engender hope in the midst of turmoil and terror With solid historical exegesis thought provoking ideas for preaching and examples of sermons that creatively and compellingly proclaim God s word this book provides much needed guidance for the church in tumultuous times Bible Prophecy Exposed R. Michael Comstock,2013-04 As time goes by words can evolve and take on new meanings Examining words from the first century can help us understand how definitions have changed This book tries to determine how the people of that era recognized what the prophets were saying As you learn to interpret their language you may find the Bible takes on a whole new flavor The following are just a few issues we will address Are signs of the end times revealed in Scripture Is there a rapture and when does it happen Does the Bible disclose when Jesus return is near When does the tribulation occur Is the key to decoding prophecy found in the Bible Can secular history help us unlock some of the mysteries *The Churchman* ,1900 Dictionary of Biblical Interpretation: K-Z John Haralson Hayes,1999 The Chamberlain Key Timothy P. Smith,Bob Hostetler,2017 The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye messages from God hidden for ages now revealed by modern computer technology Imagine you are a young ambitious successful appraiser of artifacts and antiquities your services in demand by many of the most powerful individuals and branches of government in Washington D C Your future could not seem brighter except for a troubling dream with the same mysterious message on the same exact date three years in a row Timothy P Smith heir to a renowned family business responsible for construction or renovation of some of America s most cherished landmarks struggled to understand the significance of his recurring dream until he had another dream one that identified a specific location where it seemed he might find answers to his questions So Timothy drove to a remote spot in British Columbia There the adventure which later led to a startling discovery in the oldest Hebrew text of the Bible began It took the convergence of the sacred text one man s life and modern computer technology to reveal messages that may explain dramatic world events as well as influence every person alive today Welcome to The Chamberlain Key What You Will Discover in The Chamberlain Key An encrypted code in Genesis in the oldest known Hebrew text of the Old Testament centuries before predicted the birth and resurrection of Jesus Scientific evidence that this encrypted code was authored by the divine hand of God Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity Hidden clues that may lead to the location of long missing sacred artifacts such as

the Ark of the Covenant Insights on why Timothy P Smith was chosen to uncover this encrypted code A dire warning that God wants us to hear and heed However one wishes to interpret the meaning and significance of the text they may rest assured that the text on which Timothy Smith bases his interpretation has almost certainly been there for a very long time since before the birth of Christ Eugene Ulrich Ph D Department of Theology University of Notre Dame **Children of Ezekiel** Michael Lieb,1998 Discusses the relationship between the biblical prophet Ezekiel's vision of wheels in the air and the present day end of time concept as seen in various religious sects Bowker's Complete Video Directory 2001 ,2001

Revelation of St. John Zachary F. Lansdowne,2006-05-20 The Revelation of St John the last book of the canonical Bible has been a mystery since it first appeared No other part of the Bible has caused more controversy Traditional interpretations of the book fall into one of three categories the major prophecies that are supposed to have been fulfilled in the destruction of Jerusalem in 70 A D the historical view that Revelation predicts the course of human events from the founding of Christianity to the end of the world or the futurist view that Revelation predicts events that will occur at the end of the world It's actually none of the above writes Zachary F Lansdowne a leading expert in the field of spiritual initiation In the Introduction to this rich and complex interpretation he writes According to its own verses the Revelation is concerned with the present time which is whatever time we happen to be reading it and contains information that we can apply immediately to become blessed This is not a book about end times or Armageddon and when it might come This is a book written entirely in symbols concealing a path for early Christians and for the contemporary reader Lansdowne has applied a unique psychological method of interpretation that takes each symbol as depicting some aspect of human consciousness rather than an eternal event thus showing that the Revelation is actually a detailed instruction for the spiritual journey a map to the wakening of higher consciousness Moreover while the Revelation appears in the great lineage of Judeo Christian tradition Lansdowne shows that its instruction can be appreciated and applied to seekers from any tradition Lansdowne's line by line and verse by verse interpretation presented here in an easy to read side by side format is a manual for the true seeker who would follow teachings of Jesus as they were and are laid out rather than as they have been interpreted by theologians and biblical historians The Revelation of St John when unlocked by the key of psychological methodology is revealed to contain ideas from many diverse wisdom traditions and philosophies archangels in Judaism chakras and kundalini in Hinduism Buddhist mindfulness the redemptive power of love in Christianity and absolute standards of comparison in Platonic philosophy Zachary Lansdowne's revelatory text makes these teachings of the path to true soul initiation available to seekers from every spiritual tradition God Code Timothy P. Smith,2017-04-04 The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye messages from God hidden for ages now revealed by modern computer technology In God Code antiquities expert Timothy P Smith reveals his decades long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible This painstaking search involves

adventure and mystery but instead of consulting ancient maps to find buried treasure Smith relied on the data calculation power of modern technology His quest shows how Scripture is more amazing than we ever dreamed and that it may even reveal the future of generations living today God Code reveals An encrypted code in Genesis in the oldest known Hebrew text of the Old Testament that predicted the birth and resurrection of Jesus Scientific evidence that this encrypted code was authored by the divine hand of God Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity Hidden clues that may lead to the location of long missing sacred artifacts such as the Ark of the Covenant Insights on why Smith was chosen to uncover this encrypted code A dire warning that God wants us to hear and heed In the companion History Channel series the author travels across continents in search of artifacts missing since Bible times clues to their location revealed in God Code Previously published as The Chamberlain Key **Aliens and Men** Enel Lloyd, 2011-03 Aliens and Men Supernatural connection The book reveals that a supernatural realm existed before the material world It shows the plan of the universe and details the creative actions of God It acknowledges God as the Creator of all things in the heavens and on earth The book discusses topics such as The evidence for creation A Pre Adam civilization A geologic catastrophe before Adam was created The Divine restoration of Earth The date that God created Adam Is the unborn a human being Alien invasion of Earth at a time before Noah's flood Revelation of the alien home planet Nibiru Mystery of the humanoid face on Mars Many other topics are covered Finally the book offers a new chronology of the ages which is anchored on the scriptures and gives a realistic date for the Holocene and the creation of Adam About the Author The author is a graduate of the University of the West Indies and Manhattan Bible Institute He researched the subjects extensively for many years and with the help of the Holy Spirit formulated the materials in this book for the edification of the people of God
