UNSEEN ARMS

Reaching Out

Born without arms or legs and abandoned by her birth parents, Amy Brooks has an amazing story of faith, hope, and accomplishment.

Brooks' family friend, Karen described

"When the angels gaze, 'when the angels you inspire, make someone.' This does not apply to Amy, her story is more like 'when the angels you inspire, make grapes juice and we look and wonder the world can have you do it.' I am truly I know Amy and her family for as far back as I can remember, but not well enough to have known the intense details shared in this story. From the point I read where I thought was the end, Amy keeps us through the journey of her life and shows us to see a very good side of the human condition. The good never ends from Brooks. Know all who doubted her, I can honestly say from the heart of my heart, this is one of the most heartwarming and inspiring stories I have read."
