Unshakeable: 20 Ways to Enjoy Teaching Every Day...No Matter What Angela Watson, 2015-03-15 Passion cannot be faked Students can tell when we're just going through the motions But how can you summon the energy to teach with passion when there are so many distractions pulling you from what really matters And if you barely have time for taking care of yourself how can you have anything left to give your students Don't wait for teaching to become fun again plan for it Your enthusiasm will become unshakeable as you learn how to Create curriculum bright spots that you can't wait to teach Gain energy from kids instead of letting them drain you Uncover real meaning and purpose for every single lesson Incorporate playfulness and make strong connections with kids Stop letting test scores and evaluations define your success Construct a self-running classroom that frees you to teach Say no without guilt and make your yes really count Establish healthy balanced habits for bringing work home Determine what matters most and let go of the rest Innovate and adapt to make teaching an adventure Unshakeable is a collection of inspiring mindset shifts and practical teacher-tested ideas for getting more satisfaction from your job It's an approach that guides you to find your inner drive and intrinsic motivation which no one can take away Unshakeable will help you incorporate a love of life into your teaching and a love of teaching into your life Learn how to tap into what makes your work inherently rewarding and enjoy teaching every day no matter what *The Balanced Teacher Path* Justin Ashley, 2017-08-08 Award-winning teacher offers advice on achieving work-life balance and employing self-care techniques to avoid burnout It wasn't long after being named North Carolina History Teacher of the year that Justin Ashley started noticing signs of burnout He knew he needed to make some radical changes in how he handled his work and personal life In *The Balanced Teacher Path* Justin shares his personal story illuminating how easy it is to give your job everything you've got and leave yourself with nothing outside of school and shows new teachers and veterans alike the self-care techniques they can employ to create work-life balance and prevent burnout With equal parts humor and wisdom Justin analyzes four key aspects of every teacher's life: career, social, physical, and financial and offers practical advice to bring these areas into sync reigniting a passion for teaching in the process **Detoxing American Schools** Ernest J. Zarra III, 2020-09-15 *Detoxing American Schools* From Social Agency to Academic Urgency examines the issue of toxicity in public education institutions Today's students are exposed to personal beliefs, lifestyle practices, and politicized educational policies many of which are in contrast to the values of their upbringing The innate toxic intentions of some teachers are revealed by their unabashed calls for students to take sides through avenues of shaming and even civil disobedience Schools have become vessels of social agency The time has come to detox American education and to call for teachers to return to the urgent fundamental mission of educating students academically Too many teachers are following the paradigm found on many college campuses as they use prior experience to stir up students and bring new levels of emotion into their classrooms The classroom environment has flipped and what was once tolerance has become the new toxic intolerance Fractious

Americans seem addicted to the use of polarized issues as social and emotional intoxicants Groups are strategic in seizing upon differences to ensure augmentation and marginalization upon ideological lines intensified often by the flames of social media and intolerant activism College students emerging from Gen Z are more radicalized from their time at college Unless American educators agree to step back from certain poisonous rhetoric and noxious activism our nation will continue to lose sight of the academic urgency before us and with it a generation of children *Ensuring Teachers Matter* Shelly
