Unspeakable The Story Of Junius Wilson:

Unspeakable Susan Burch, Hannah Joyner, 2007-11-19 Junius Wilson 1908 2001 spent seventy six years at a state mental hospital in Goldsboro North Carolina including six in the criminal ward He had never been declared insane by a medical professional or found guilty of any criminal charge But he was deaf and black in the Jim Crow South *Unspeakable* is the story of his life Using legal records institutional files and extensive oral history interviews some conducted in sign language Susan Burch and Hannah Joyner piece together the story of a deaf man accused in 1925 of attempted rape found insane at a lunacy hearing committed to the criminal ward of the State Hospital for the Colored Insane castrated forced to labor for the institution and held at the hospital for more than seven decades Junius Wilson s life was shaped by some of the major developments of twentieth century America Jim Crow segregation the civil rights movement deinstitutionalization the rise of professional social work and the emergence of the deaf and disability rights movements In addition to offering a bottom up history of life in a segregated mental institution Burch and Joyner s work also enriches the traditional interpretation of Jim Crow by highlighting the complicated intersections of race and disability as well as of community and language This moving study expands the boundaries of what biography can and should be There is much to learn and remember about Junius Wilson and the countless others who have lived unspeakable histories

Unspeakable Susan Burch, 2009-11 Junius Wilson 1908 2001 spent seventy six years at a state mental hospital in Goldsboro North Carolina including six in the criminal ward He had never been declared insane by a medical professional or found guilty of any criminal charge But he was deaf and black in the Jim Crow South *Unspeakable* is the story of his life Wilson was born and lived the first years of his life with his family in a small town near Wilmington North Carolina At age seven he was sent to the residential State School for the Colored Blind and Deaf where he learned Raleigh Sign Language a unique form of signing taught only to blacks at that school After a minor infraction at age sixteen he was dismissed from school and sent back home where he was falsely accused of attempted rape in 1925 Judged insane by the court he was committed to the criminal ward of the State Hospital for the Colored Insane Wilson was castrated and forced to work on the hospital farm for decades He remained incarcerated for almost all of his life Although authorities knew from the 1960s onward that Wilson was not insane they did not know how to integrate him into society They determined that keeping him institutionalized was the most benevolent course of action In 1990 when social worker John Wasson reviewed Wilson s records he was shocked by what he read Lawsuits brought against the state by disability rights lawyers led to Wilson s release from the locked wards in the 1990s He spent the final years of his life in a cottage on the grounds of the hospital where staff continued to look after his daily needs Junius Wilson s life was shaped by some of the major developments of twentieth century America Jim Crow segregation the civil rights movement deinstitutionalization the rise of professional social work and the emergence of the deaf and disability rights movements There is much to learn and remember about Junius Wilson and the countless others who have lived unspeakable histories

The SAGE Deaf Studies Encyclopedia Genie Gertz, Patrick Boudreault, 2016-01-05 The time has come for a new in depth encyclopedic collection of articles defining the current state of Deaf Studies at an international level and using the critical and intersectional lens encompassing the field The emergence of Deaf Studies programs at colleges and universities and the broadened knowledge of social sciences including but not limited to Deaf History Deaf Culture Signed Languages Deaf Bilingual Education Deaf Art and more have served to expand the activities of research teaching analysis and curriculum development The field has experienced a major shift due to increasing awareness of Deaf Studies research since the mid 1960s The field has been further influenced by the Deaf community's movement resistance activism and politics worldwide as well as the impact of technological advances such as in communications with cell phones computers and other devices A major goal of this new encyclopedia is to shift focus away from the Medical Pathological Model that would view Deaf individuals as needing to be fixed in order to correct hearing and speaking deficiencies for the sole purpose of assimilating into mainstream society By contrast The Deaf Studies Encyclopedia seeks to carve out a new and critical perspective on Deaf Studies with the focus that the Deaf are not a people with a disability to be treated and cured medically but rather are members of a distinct cultural group with a distinct and vibrant community and way of being

The Ethics of Homelessness: Philosophical Perspectives ,2020-01-20 This new and expanded edition of G John M Abbarno's anthology The Ethics of Homelessness underscores what is ignored in plain sight people without a home or dwelling are also without privacy and dignity It is argued that they lack moral standing The chapters uncover the harsh realities of poverty where economic value overrides competing human values Naomi Zack argues that homelessness is symbolic of society's materialistic values It has a tendency to resist sufficient charity and perpetuates conditions of injustice Uma Narayan questions whether the homeless have protection under the U S Constitution Other authors present an enlarged sphere of homeless to include runaway children refugees adoptees and the disabled The book demonstrates the value of applied philosophy

The Disability Studies Reader Lennard J. Davis, 2016-10-19 The fifth edition of The Disability Studies Reader addresses the post identity theoretical landscape by emphasizing questions of interdependency and independence the human animal relationship and issues around the construction or materiality of gender the body and sexuality Selections explore the underlying biases of medical and scientific experiments and explode the binary of the sound and the diseased mind The collection addresses physical disabilities but as always investigates issues around pain mental disability and invisible disabilities as well Featuring a new generation of scholars who are dealing with the most current issues the fifth edition continues the Reader's tradition of remaining timely urgent and critical
