Unusual Punishment

North Carolina. Supreme Court

Unusual Punishment :

Cruel and Unusual Punishment Joseph A. Melusky, Keith A. Pesto, 2003-02-21 In one of the lengthiest noisiest and hottest legal debates in U S history Cruel and Unusual Punishment stands out as a levelheaded even handed and thorough analysis of the issue The Eighth Amendment to the U S Constitution created one of the nation s most valued freedoms but at the same time one of its most persistent controversies On 184 separate occasions the Supreme Court attempted to decide what constitutes cruel and unusual punishment Constitutional scholars Joseph A Melusky and Judge Keith A Pesto help readers make sense of the controversy The authors begin by sketching the context of the debate in a general overview that addresses issues such as excessive bails and fines and noncapital offenses But their primary focus is capital punishment In a detailed chronologically ordered discussion they trace the evolving opinion of the nation s highest court from the late 19th century to the present analyzing issues arguments holdings and outcomes **The Concept of Cruel and Unusual**

Punishment Larry Charles Berkson, 1973 **Cruel and Unusual** Michael Meltsner, 2011-07-23 The true and gripping account of the nine year struggle by a small band of lawyers to abolish the death penalty in the United States Its new edition features a 2011 Foreword by death penalty author Evan Mandery of CUNY s John Jay College of Criminal Justice as well as a new Preface by the author The mission plotted out over lunch in New York s Central Park in the early 1960s seemed as impossible as going to the moon abolish capital punishment in every state The approach would fight on multiple fronts with multiple strategies The people would be dedicated bright unsure unpopular and fascinating This is their story not only the cases and the arguments before courts the death row inmates and their victims the judges and politicians urging law and order this is the true account of the real life lawyers from the inside The United States indeed went to the moon and a few years later the U S Supreme Court ruled the death penalty unconstitutional The victory was long sought and sweet and the pages of this book vividly let the reader live the struggle and the victory And while the abolition eventually became as impermanent as the nation s presence on the moon these dedicated attorneys certainly made a difference This is their tale As Evan Mandery writes in his new Foreword In these pages Meltsner lays bare every aspect of his and his colleaguesi thinking You will read how they handicapped their chances which arguments they thought would work you may be surprised and what they thought of the Supreme Court justices who would decide the crucial cases You will come to understand what they perceived to be the basis for support for the death penalty and with Meltsner s unflinching honesty what they perceived to be the inconsistencies in their position Mandery concludes It is my odd lot in life to have read almost every major book ever written about the death penalty in America This is the best and the most important Every serious scholar who wants to advance an argument about capital punishment in the United States whether it is abolitionist or in favor of the death penalty or merely a tactical assessment cites this book It is open and supremely accessible And the author s constitutional vision was years ahead of its time His book is timeless Part of the Legal History and Biography Series from Quid Pro Books the new

ebook editions feature embedded pagination from previous editions consistent with the new paperback edition as well allowing continuity in all formats active TOC and endnotes and quality digital formatting
