Unveiling The Apocalypse Prophecy In Catholic Tradition:

Henry Grattan Guinness, 1905 Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the

nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon's scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church's majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O'Brien Author Father Elijah **The Mystery of Iniquity Unveiled** Chandler Curtis, 1838

The Donatist Church in an Apocalyptic Age Jesse A. Hoover, 2018-05-25 The Donatist Church in an Apocalyptic Age examines an apocalypse that never happened seen through the eyes of a dissident church that no longer exists Jesse A Hoover considers Donatists members of an ecclesiastical communion that for a brief moment formed the majority church in Roman North Africa modern Tunisia Algeria and Libya before fading away sometime between the fifth and seventh centuries Hoover studies how Donatists perceived the end of the world to offer a glimpse into the inner life of the dissident communion what it valued whom it feared and how it defined its place in history while on the cusp of history's end By recovering these appeals to apocalyptic themes in surviving Donatist writings this study uncovers a significant element within the dissident movement's self perception that has so far gone unexamined In contrast to previous assessments it argues that such eschatological expectations are not out of sync with the wider world of Latin Christianity in late antiquity and that they functioned as an effective polemical strategy designed to counter their opponents claim to be the true church in North Africa

Raymond Cross, 2015-07-08 The Bible is one of the most misunderstood and mysterious book ever written Popular to buy but seldom read it usually sits on bookshelves or coffee tables unused However people who do read and believe the Scriptures know for certain it has the power to change lives This book The Apocalypse is written as an assembling of all that is known about the book of Revelation It is a compilation of many Biblical scholars thoughts regarding interpretations of some of the symbols used by God to describe His prophesies in this book Of course much is still unknown but you are able to add or subtract basic thoughts simply by studying the Holy Writ yourself God will show you some things more clearly than me or anyone else God wants to inform you **John Donne and the Protestant Reformation** Mary Arshagouni Papazian, 2003 This collection of thirteen essays by an international group of scholars focuses on the impact of the Protestant Reformation on Donne's life theology poetry and prose The early transition from Catholicism to Protestantism was a complicated journey for England as individuals sorted out their spiritual beliefs chose their political allegiances and confronted an array of religious differences that had sprung forth in their society since the reign of Henry VIII Inner anxieties often translated into outward violence Amidst this turmoil the poet and Protestant preacher John Donne 1572-1631 emerged as a central figure one who encouraged peace among Christians Raised a Catholic but ordained in 1615 as an Anglican clergyman Donne publicly identified himself with Protestantism and yet scholars have long questioned his theological orientation Drawing upon recent scholarship in church history the authors of this collection reconsider Donne's relationship to Protestantism and clearly demonstrate the political and theological impact of the Reformation on his life and writings The collection includes thirteen essays that together place Donne broadly in the context of English and European traditions and explore his divine poetry his prose work the Devotions Upon Emergent Occasions and his sermons It becomes clear that in adopting the values of the Reformation Donne does not completely reject everything from his Catholic background Rather the clash of religion erupts in his work in both moving and disconcerting ways This collection offers a fresh understanding of Donne's hard won irenicism which he achieved at great personal and professional risk *Every Catholic's Guide to the Sacred Scriptures* Thomas Nelson Incorporated, Thomas Nelson Publishers, 1990 **The Catholic Encyclopedia** Charles George Herbermann, 1907 *The New Schaff-Herzog Encyclopedia of Religious Knowledge* Albert
