Mooney, Catherine Dold, 2017-01-02 My Last Rock Bottom Sara Berelsman, 2015-02-04 Sara liked to drink Sara was a writer and drinking seemed to be an element of the identity As a writer she searched for the story that would define who she was and her drinking was a part of her She drank socially at first with friends or family at parties or festivals She drank at home sometimes a glass of wine or two It was when the two glasses of wine turned into two bottles of wine when her blacked out drunken behavior began destroying her marriage when she began combining her drinking with pills prescribed or otherwise this is when Sara began to realize she had a problem It wasn't until she hit her last rock bottom that she understood her story If she were to continue drinking her marriage would be over She knew she had to quit So she did Sara quickly learned that sobriety wasn't easy She had never realized before what a focal point alcohol had been in her life This new world she was in felt strange and unnatural Sometimes the daily battle felt impossible But inside the struggle she found words One day she threw on her husband's oversized Nike sweatshirt drove her daughter to school and came home to write The words just poured out of her Now she had a story Despite the struggles she faced and still faces Sara has remained sober This is her story When Tears Turn to Rain IdnAc, 2015-12-04 When Tears Turn to Rain tells the personal story of a woman who at forty made a vow to herself to give up drinking to pursue sobriety and to save her own life Based upon her journal entries where she recorded her reflections along the way she has crafted a sparse unblinking and straightforward account of her struggles and achievements along the path to living a sober life When Tears Turn to Rain focuses on the turn toward living and away from dying that the author made As she writes At the age of forty I realized that my journey was coming to an end By this time I was sick and shook so badly that I should have been hospitalized But still determined to reach my destination of Skid Row I pedaled all the harder In December 2012 one block before I reached Skid Row I noticed a beautiful sign that was lit up with sunshine Its two words were the most beautiful I had ever seen Sobriety Place This is the story of what happens when she heads toward that beautiful place This memoir reveals the details of an individual's journey into sobriety showing how one woman faced her addiction and changed the direction of her life *SUMMARY - The Unexpected Joy of Being Sober : Discovering a Happy, Healthy, Wealthy, Alcohol-Free Life by Catherine Gray* MY MBA, 2022-01-05 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes How to get sober It's hard to believe that living a sober life isn't about giving up pleasure but simply giving up alcohol Yet discover how sobriety can make you happier and more fulfilled In this book you will learn What should you expect from sobriety What are the negative effects of alcohol Does even moderate drinking have harmful effects Why doesn't society recognize the dangers of alcohol How to develop self confidence without alcohol How can you build your social life
