PASSION Louie Giglio, 2014-03-04 Key messages by today's leading Christian voices on what it means to possess a passion for Jesus Christ What exactly is it that instills passion in a person's soul What brings the fire to make a difference the desire for significance the power to live a life that matters And who will lead us in this quest toward the future of the Church In this remarkable book some of today's most gifted communicators highlight the dedicated generation that is rising up to show us how to lean toward the centrality of Jesus Christ and His bright light of glory that brings purpose to our own lives and proper glory to God the Father Since it first began in 1995 Passion has had the privilege of encountering millions of believers under the age of 25 a sea of men and women whose lives have been transformed by the power of the Holy Spirit Their voice is getting louder as they rise united as a generation bringing hope and light to the world Author and general editor Louie Giglio has brought together these incredible authors to share their thoughts on what it means to burn with a passion for Christ As delivered to Passion Conferences the book includes contributions from Giglio himself as well as multiple chapters from Francis Chan John Piper Beth Moore Judah Smith Christine Caine The wave is growing into a global awakening Join the movement *The Sacred Passion* Luis de la Palma, 2004 Fr Luis de la Palma's *The Passion* book which has been continuously published for four hundred years provides an aid for meditating on the Passion He recreates the events of Jesus' life beginning with Holy Thursday and concluding with the burial of Our Lord and a powerful evocation of the coming resurrection It was given to many young men and women by St Josemaria to stir up their hearts and lead them to greater prayer With vivid detail and a constant recognition of the role the Blessed Mother played in those days Fr de la Palma's *The Sacred Passion* helps the reader enter into the Last Supper the institution of the priesthood and the Eucharist the arrest of Our Lord the denial of St Peter the trials before Caiaphas and Pilate the scourging and mocking and finally the Crucifixion His meditations hew closely to the Gospel accounts adding to them insights from other scriptures and frequently culminating in fervent prayers to Our Lord and Our Lady Fr Luis de la Palma's *The Sacred Passion* emphasizes that through it all Jesus was offering Himself to the Father of His own free will for the salvation of the world This book is a striking reminder of the immensity of that offering of love **The Hours of the Passion** Jude Mead, 2012-08-01 The Watches of the Sacred Passion with Before and After Peter Gallwey, 1896 **The Temptation and the Passion** Ernest Best, 1990-08-23 The aim of this book is to illuminate the manner in which Mark understood Jesus' death That death forms the climax of the Gospel and is all important for the evangelist Since it is central to every form of Christianity much has already been written on the significance Jesus' death had for Mark Most previous studies like the first edition of this book used redaction criticism to interpret Mark's viewpoint from the alterations he made to the form of the Passion narrative as he had received it from tradition More recently the Gospels have been examined as continuous stories and the author adopts this approach in the additional material of his new edition By examining the general sweep of the narrative and in particular of its last chapters

Professor Best attempts to show how Mark saw Jesus death as both an atonement for sin and as creative of the new community of the Church *The Passion* Marcus Hummon, Becca Stevens, 2017-01-01 Marcus Hummon is the Grammy award winning singer songwriter husband of author and 2016 CNN Hero Award winner Becca Stevens With a grant from Christ Church Cathedral in Nashville he has created a cantata based on narratives from the gospels and a five session book that gives some of the musical history of each piece as well as reflections on its theological significance written by Stevens The *Passion* book may be used in conjunction with the CD or MP3 sold separately which includes twelve cuts with six of those being songs and six being scripture readings The musical score is also available for separate purchase Book score full CD MP3 and individual tracks may be used individually or together providing flexible programming options Churches could choose to study the text during the Sundays in Lent or at weeknight Lenten evening programs with the choir performing the piece on Palm Sunday or during Holy Week The book and or CD or MP3 are also perfect for personal devotional use

Science of Passion Antonella Zara,2013-07-28 Everything started with a great love In fact I believe that everything usually starts somehow through love In my case the greatest changes in my life came through the men that I have loved Thanks to Life I loved a lot I loved profoundly and intensely and all that I have learned I learned by loving Only by going through all the pains and all the pleasures of love without the reservations of not loving out of fear of what would happen or what other people would think there I found within me the energy necessary to believe in dreams The first big dream that I fulfilled three years ago was to walk the eight hundred kilometer trip of the Santiago s journey an illuminating trek that I recommend to anyone that wishes to grow spiritually This trip helped me understand new things about Life and about myself and also helped me better appreciate its beauty After this marvelous experience I went through a very difficult time The journey had given me the strength to endure that difficult time in my life After all those beautiful and harsh experiences my faith in life had increased by leaps and bounds I then understood that either pleasure or pain are gifts given by Life to those who seek to find themselves At that time in my life full of gratitude and love for existence I tried to find again a man with whom I had shared a beautiful love story This was at the same time a heartbreaking and marvelous reunion Sad because time and distance made that love change and we could not revive the sublime passion that had united us before Marvelous because that passion that had been so special even if it would not manifest itself between us as man and woman once again but only for the fact that I saw him again unleashed in me a process that was magical and irreversible Ever since that

encounter I became aware of the existence of another person inside of me I realized then that She had always been present but more that ever I had perceived Her clearly At first this new sensation was strange to me even though it filled me with a sort of happiness unknown until then I wondered if this phenomenon happened only to me if I was finally going crazy if I had to seek medical help But it was so good that it just couldn't be a sickness I resolved then to deepen my knowledge on the subject and I came across vast literature that dealt with this kind of spirituality that had flourished in me I began to understand that I had come into contact with what is called the Higher Self the divine part the soul the particle of God that exists in everyone I noticed that I had received an immense gift from Life as a reward for going after my dreams For many people this might be incomprehensible or even absurd which is perfectly natural because it is not possible to understand something which is unknown But I have also come to understand that for a growing number of people the spiritual search is not only an intellectual past time it is a vital necessity something that is put into practice and lived day by day With The Science of Passion I hope to contribute to the search of some of these people since my greatest dream is to be a channel of Light for my fellow man
