Phillips, 1993 *Readings in Canadian Real Estate* Gavin Arbuckle, Henry Bartel, 2004 **Crossing the Atlantic** Patrick M. Crowley, 2017-11-30 Given the legal political economic and social similarities that exist comparisons between the European Union EU and Canada can prove instructive This volume introduces the rationale for comparing Canada and the EU and reviews the political initiatives that have been undertaken to forge links between the two Taking the political and economic structure used by the EU it compares this structure to the Canadian model at both the federal supranational level and the local government level Using various disciplinary approaches and case studies specific policy areas are used to illustrate these comparisons and several of the papers in the collection extend these comparisons to the NAFTA level A highly useful reference tool *Crossing the Atlantic* will intrigue and inform an interdisciplinary and inter regional studies audience *Urban Affairs* Caroline Andrew, Katherine A. Graham, Susan D. Phillips, 2002 Issues of urban policy are increasingly complex and important Whether considered from a social demographic or economic perspective Canada is overwhelmingly an urban nation and healthy prosperous cities are the key to its well being What then is our national policy toward urban affairs In *Urban Affairs* leading experts in a variety of disciplines explore this question Canada's last experience with national urban policy making was in the 1970s The authors focus on what has happened since exploring how both city regions and ideas about the urban policy making process have changed The authors also examine both the past and present roles of the federal government and what it can and should do in the future Contributors include Caroline Andrew Paul Born Tamarack Institute for Community Engagement Cambridge Kenneth Cameron FCIP Policy and Planning Greater Vancouver Regional District W Michael Fenn Ontario Deputy Minister of Municipal Affairs and Housing Pierre Filion University of Waterloo Katherine Graham Pierre Hamel Universit de Montr al Christopher Leo University of Winnipeg Barbara Levine World University Service of Canada Sherilyn MacGregor PhD Environmental Studies York University Warren Magnusson University of Victoria Beth Moore Milroy Ryerson University

Urban Governance in Canada Katherine A. Graham, Susan D. Phillips, Allan M. Maslove, 1998 *Canadian Cities in Transition* Trudi E. Bunting, Pierre Filion, 2006 This collection of articles includes the work of newer younger urban scholars There are new chapters on Canadian perspectives on globalization and world city growth immigration and urban change and many extensively re written chapters from the previous edition **City Magazine** ,1989 How Ottawa Spends ,1993 *Canadian Journal of Urban Research* ,2004 *Built Environment* ,1993 *Municipal Reform in Canada* Joseph Garcea, Edward C. LeSage, 2005 This book presents an analysis of the purposes processes politics and outcomes of reform for each of the provinces and the northern territories These analyses reveal that reforms during this turn of the millennium period have reconfigured and in some cases re empowered municipal governance and shifted the balance of roles responsibilities and relationships among city and regional municipal governments and between them and their respective provincial and territorial governments The reform process however has not gone so far as to reinvent municipal governance and is not likely to in the foreseeable future Indeed the extent of change in recent years in many jurisdictions has brought about a degree of reform fatigue so that the principle actors in provincial municipal politics may be reticent to pursue new initiatives in the near future *MetroGreen* Donna Erickson, 2006-10-31 Publisher description **The Urban Response to Internationalization** Peter Karl Kresl, Earl H. Fry, 2005 Accelerated trade and financial market liberalization have had significant impacts on the global economy and its component entities In this volume the authors examine the impacts of these changes on the economies of urban areas and the responses to them They provide a comprehensive treatment of the issues surrounding internationalization *Index de Périodiques Canadiens* ,2002 **Urban Futures for Central Canada: Perspectives on Forecasting Urban Growth and Form** University of Toronto.
