Row, Row, Row My Boat! Margreet Jensen van Dorm, 2007-02-02 Row Row Row My Boat chronicles Margreet Jansen van Doorn's experience with breast cancer. In 1996 Margreet was just 38 when she was diagnosed with stage III highly aggressive ductal breast cancer. She assumed she had no choice but to accept what her doctors recommended and that the only actions available to her were the ones recommended by the cancer clinic. This book tells you how she became educated and learned that there were many things she herself could do to support her body in the fight with breast cancer. In researching the disease she found that the known responses to cancer are only treatments and not cures. Margreet's journey with breast cancer was confronted on many different levels. She not only fought it on the physical platform but on the spiritual, emotional, and intellectual as well. She learned about the mind-body connection and how our emotions and feelings influence our ability to fight illnesses. She discovered that when our bodies are out of balance, chaos and Dis-Ease become the norm. She was amazed at how uninformed she was about nutrition and its influence on our health. This book tells of Margreet's journey with this deadly disease and the choices she made. Looking for answers, she used many different approaches from Psychosynthesis to Chiropractic, immune stimulating treatments, to eliminating many foods which undermine our natural ability to fight off illnesses. She learned about the power of eating an alkaline based diet as well as taking supplements which supported her fight. This fascinating story describes the many steps Margreet took, including the fear she felt and doubt she experienced as well as the triumphs in her struggle to be victorious over this deadly disease. The book takes you from the time of her diagnosis to ultimately her good health. *The Geographical Journal* ,1928 **Haney's Journal of Useful Information, Important Arts and Discoveries, and Valuable Recipes, for Farm, Household and Workshop, and Town and Country** ,1868
