Macagba MD MPH, 2021-08-05 This book describes how the life and faith of his parents influenced the author in his early years until he finally asked the Lord to enter his life reinforced by his wife's faith and followed by a lifetime of blessings and miracles It describes how his family survived the Second World War in the Philippines and the years that followed as he went through medical school where he met his wife and the years of training that resulted in their both taking over the hospital founded by his parents It describes how he and his family received scholarships for further studies in the US and how he started a career in international health programs and management training workshops in all continents for twenty years finally founding an accredited MBA program in Fullerton California It describes how he learned about what the purpose of health care should be and that is to help people live a healthy life and how they can achieve it It describes how he and his wife finally returned to the Philippines and how he applied what he learned in the hospital and college and in hospital management workshops in all continents His autobiography is one substantial storytelling that offers a front seat to the nuanced and textured narration of the evolution of

the dignified medical doctor sought after hospital management educator and practitioner author world health policy influencer and dedicated family man I m a believer of the concept that good leadership starts with personal leadership based on integrity and other values The autobiography clearly shows that what Lorma espouses as central to its culture love of God respect for the individual and continuous improvement mirror the personal values and leadership foundation of Dr Rufi It was evident in the book that God was placed in the center of Dr Rufi s life and every milestone he always attributed to the Lord s grace The autobiography is therefore such a blessing to readers who want to be inspired by how God works his miracles on a man destined to lead and inspire Noel M Cortez PhD Former Associate Dean Asian Institute of Management If you re wondering where all the well lived lives have gone look no further This book is for you Dave Conner Director of Talent Development Duke University Durham North Carolina At the core of his life is his genuine Christian commitment doing what he does as a servant of the Savior putting a human face on God s compassion for the neediest among us Read the book Then thank God for empowering this remarkable man Rev Van C Elliott San Diego California

[A Journey to Healthy Living](#) Dr. Teresa S. Johnson, 2015-12-23 Maintaining a healthy physical body and fulfilling the call on your life are two mandates that are intertwined as both must be in sync Most things in life are connected and relate with equal importance to the mind body and spirit Since you must carry these three things on a daily basis why not lighten the load and take the healthiest most productive you on the long haul Seriously you wouldn t drag a 50 pound sack of potatoes with you to a theme park would you This journey is not meant to be a cake walk It will be challenging at times but the destination is well worth the struggle Remember life shapes us all but we have a say in the mold it uses
