What Want You Know Daughter:

What I Want My Daughter to Know About Women Bob Mika, 2022-08-05 *What I Want My Daughter to Know about Women* by Bob Mika was written from his life's experiences with his daughter's interests in mind. He wanted to share with her what he has learned from his many relationships and the meaning of true love. Bob Mika has always wanted a family and he spent his entire life looking for that special woman to have his children and share a life. He has opened his feelings to many women who in return left him disappointed. He explains throughout the book what it feels like to be in love and what are the differences in love and attraction and why women need to understand that men are not mind readers. What's the purpose of romance is and why relationships between men and women can be so challenging. He explains how not following your inner self and later regretting it can affect your outlook. He talks about your mindset on how you treat others how the average man's biggest problems are with dating, sex relationships and marriage. He explains to his daughter the ups and downs of dating and what to look for in a partner and a relationship either in herself or her partner. Having that happy feeling of your lifelong dream of becoming a father come true. This story of his life is a captivating story of one man's determination and his love for his daughter.

If You Died Today, What Would You Want Your Child to Know T. J. Freeman, 2005-01-01 Tomorrow is not promised to any of us. We have heard that phrase time and time again some of us leave our children money and a will with warm words but is that enough I don't think so. This book is my goodbye to my daughter. If I died right now then this is what I want my daughter to know about me the situation between her mom and I as well as life I am her father and there is much she should know. So much I also wrote this book for any child who wants knowledge the fundamentals. The rules in this book never change. This book is for all youth and parents as well as my daughter. I hope you can appreciate the humor in it as well as the lessons throughout. Tomorrow is not promised to any of us and children are the future of this world. If you died today what would you want your child to know.
