Journey into God's Heart Jennifer Rees Larcombe, 2015-11-05 Even Jennifer herself has in the light of severe recent tragedies found herself gaining a new understanding of all she has been through This book looks back at the traumas and insecurities of her childhood the joys and trials of family life through the most testing of circumstances the confusion caused by her life threatening illness and subsequent miracle healing the pain of bereavement and the most recent chapter that no one foresaw divorce from her husband Tony Journey Into God's Heart is an epic saga of a unique woman's journey through the fire An adventure that lasts a lifetime a path strewn with heart testing challenges Written as compellingly as a novel it presents a completely new perspective on the story told in Jennifer's previous autobiographical books Beyond Healing and Unexpected Healing Her journey unfolds against the backdrop of the momentous changes undergone by the evangelical and charismatic church in the mid and late twentieth century

The Peel Sessions Ken Garner, 2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC's studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man's passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we'd contacted via a card pinned to the Virgin record shop noticeboard We'd had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn't have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me

Winter with God T.W.S. Hunt, 2016-11-01 This 40 day devotional deals as much with God's absence as His presence for it is about the spiritual season of winter a time when the
