Korbin,2022-02-22 The second edition of this successful handbook edited by well known experts in this field includes core questions in the field of child abuse and neglect It addresses major challenges in child maltreatment work starting with What is child abuse and neglect and then examines why maltreatment occurs and what are its consequences The handbook also addresses prevention intervention investigation treatment as well as civil and criminal legal perspectives It comprehensively studies the issue from the perspective of a broader international and cross cultural human experience Apart from a thorough revision of existing chapters this edition includes many new chapters covering recent developments in this area and other issues not covered in the first edition There is more focus on substance abuse psychological abuse and on social and community involvement and public health provisions in the prevention of child maltreatment The handbook examines what is known now and more importantly what remains to be researched in the coming decades to help abused and neglected children their families and their communities thereby taking the field forward

What Is a Dog? Chloe

Shaw,2025-10-16 On the heels of her family s beloved dog s death one woman returns to the canines of her past in order to imagine the human she hopes to become in the future in her memoir What Is a Dog Chloe Shaw is in a dog house of her own choosing A married mother with kids the death of Booker her children s eldest family pet has left her reeling and reckoning with her lifelong relationship with dogs Unable to shake the feeling a year later she asks her family for some time alone to be with nothing but her thoughts and remaining canines Safari and Otter only to find the dogs of her past pawing at her every memory and running sticks in mouths back into her life What follows is a meditation on one woman s life through the dogs she s loved and lost Since she was a child Shaw had learned to escape the hardest parts of being human by immersing herself in the lives of her canine companions an adaptive attachment that carried her to adulthood Yet in marriage and motherhood Shaw finds herself facing her most human struggles yet Her old ways of being the dog in the face of hardship prove destructive and it s not until she s able to love herself and learn from the dogs of her past and present that can she truly thrive as a person and show up for the family who needs her to be their person With artful prose and a philosophical touch Shaw takes us on an emotional journey anyone who has ever loved and lost a dog will connect with and discovers dogs do more than just make our lives better they quietly and sometimes loudly pull us boldly toward the person we were always meant to be

Children, Dogs and Education Mary Renck Jalongo,2018-05-08

This book brings together authoritative information about the child dog bond as it is manifested with family dogs visiting therapy dogs and service dogs trained to assist children with disabilities Despite the widely accepted view that participating in a dog s care and interacting with dogs

in behaviorally healthy ways is a route to becoming responsible and compassionate research on this complex dynamic is difficult to design time consuming to collect and challenging to analyze This volume synthesizes theory research and practice bringing all to bear upon child dog interactions in homes schools libraries and the community at large Children Dogs and Education serves as a handbook for a diverse group of adults who seek to build positive relationships between children and dogs parents families professional dog trainers teachers librarians mental health professionals health care professionals and university faculty The study of interactions between human and nonhuman animals has captured the imagination of an international community of researchers from many different fields and professions Even though dogs are ubiquitous in the lives of most children studies of children s interactions with dogs in families and communities are lacking Most of the previous research on the human canine bond has focused on adolescents and adults or even when younger children are the focus it has tended to rely on parents to speak for children There are three features of this book that make it unique First it goes beyond exploring the child dog bond to examine additional important issues including children s concepts of responsible care their ability to interpret dogs behavioral cues and their ideas about canine behavioral issues training Second unlike most other work to date it represents children s voices through cases interviews and drawings Finally the contributors to this edited work use their collective wisdom to draw educational implications and suggest direction in preparing the next generation of dog guardians
