Caggiano,2011-05-10 *The MAC Flyer* ,1981 **The Yank** John Crawley,2022-09-06 1975 A young Irish American man joins an elite US Marine unit to get the most intensive military training possible then joins the Irish Republican Army during the days of some of the bloodiest fighting ever in the Irish British conflict The Irish Troubles were at a murderous fever pitch when John Crawley volunteered for the IRA Bloody Friday Bloody Sunday the bombing of the British Houses of Parliament and other deadly incidents had recently unfolded or were about to Civilian casualties were common as British soldiers Republican militants who wanted the UK out of Northern Ireland and Unionist police and militants who wanted to remain in the UK engaged in gun battles and car bombing throughout Northern Ireland The death toll numbered over 1 000 The IRA split over how to react between the old line IRA and the new Provisional IRA the Provos mostly impassioned young men who were not hesitant to resort to violence In a powerful brutally honest no holds barred recounting of his experience John Crawley details first the grueling challenges of his Marine Corps training then how he put his hard earned munitions and demolitions skills to use back in Ireland in service of the Provos It is a story that will see him running guns with notorious American mobster and secret IRA fundraiser Whitey Bulger running under cover of night from safe house to safe house in the Irish countryside one step ahead of British troops being captured imprisoned and being part of a mass escape attempt fending off a recruitment offer from the CIA and being one of the masterminds behind a campaign to take out London s electrical system Along the way Crawley is blisteringly candid about the memorable people he worked with including behind the scenes portrayals of revered IRA leader Martin McGuinness and of the psychopathic Whitey Bulger as well as others in the Boston IRA support network There are vivid portraits of colleagues and enemies and Crawley is unflinching in his

commentary on IRA leadership and their tactics both military and political Through it all comes the steadfast voice of a man on a mission providing an evocative detailed and passionate recounting of where that mission led him and why as well as why to this day he remains ready to serve **Sailing Big on a Small Sailboat** Jerry Cardwell,2007 This guide outlines the planning boats and accessories sailors of small sailboats need to safely embark on ambitious journeys *Now That Was a Day To Remember!* David Cossa,2022-11-03 What is it like to lead climbs on Mount Rainier or hike for one hundred miles in the Grand Canyon How about watching Mount St Helens go off just before getting in a 2 500 foot gully avalanche Learn what life is like along the Pacific Crest and Arizona trails Experience the serendipity of catching a wild horse with Indians in Havasu Canyon of a chance meeting with climbing guides who take you up the most famous rock climb in Canada for practice and enjoy the spectacle of a biker gang taking over a bar in West Yellowstone Close calls galore including rappels gone bad massive rockfalls crevasse problems and a flood in Paria Canyon Go through the Grand Canyon in a wooden dory like John Wesley Powell did meet an Alcatraz escapee in Athens meet a good witch who grants you a favor life on an aircraft carrier What s it like to work in Yellowstone as a surveyor to meet your guardian angel What makes your life flash before your eyes or cause you to shiver uncontrollably because of fear What are the three stages of shock Bear stories galore as well and hopefully the short stories provide you with both humor and insight It s all in there and more including much to say about the sport of mountaineering why what who where and how a synopsis and list of his favorite climbs and places visited over the years Addicted to Danger Jim Wickwire,Dorothy Bullitt,2010-05-11 Adventurist Jim Wickwire has lived life on the edge literally An eyewitness to glory terror and tragedy above 20 000 feet he has braved bitter cold blinding storms and avalanches to become what the Los Angeles Times calls one of America s most extraordinary and accomplished high altitude mountaineers Although his incredible exploits have inspired a feature on 60 Minutes an award winning PBS documentary a Broadway play and a full length film he hasn t told his remarkable story in his own words until now Among the world s most intrepid and fearless climbers Jim Wickwire has traveled the globe from Alaska to the Alps from the Andes to the Himalayas in search of fresh challenges and new heights to conquer Along the way he accumulated an extraordinary roster of historic achievements He was one of the first two Americans to reach the summit of the 28 250 foot K2 the world s second highest peak acknowledged as the toughest and most dangerous to climb He completed the first alpine style ascent of Alaska s forbidding Mt McKinley spending several nights without tents in snowcaves crevasses and open bivouacs But with the triumphs came harrowing incidents of suffering and loss that haunt him still On one climb his shoulder broken by a fall he watched helplessly as a friend slowly froze to death trapped in an ice crevasse Buffeted by storms Wickwire spent two weeks utterly alone on a remote glacier before his rescue On two other expeditions he witnessed three fellow climbers plunge thousands of feet vanishing into the mountain mist A successful Seattle attorney Wickwire climbed his first mountain in 1960 and discovered the wonder of leaving behind the complexities of the civilized world for the pure life and death logic of

granite glacier and snow Deeply compelled by the allure of nature and the thrill of risk he pushed himself to the limits of physical and mental endurance for thirty five years ultimately climbing into legend After more than three decades of uncommon challenges Wickwire faced a crisis of heart a turning point that threatened his faith in himself and his hope in the future How he reassessed his priorities and rededicated his life to his family and to his community completes a unique and moving portrait of one man s courage commitment and grace under pressure Addicted to Danger is a tale of adventure in its truest sense *Proceedings* United States.
