When Critics Ask A Popular Handbook On Bible Difficulties:

When Critics Ask Norman L. Geisler, Thomas A. Howe, 1992 Learn how to defend the authority and inspiration of Scripture Writing in a problem solution format the authors cover every major Bible difficulty from Genesis to Revelation Publisher *The 10 Things You Need to Know About Islam* Ron Rhodes, [A Popular Survey of the New Testament](#) Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament *Another Gospel? Student Edition* Alisa Childers, 2025-10-21 A movement seeks to redefine Christianity Some think that it is a much needed progressive reformation Others believe that it is an attack on historic Christianity Alisa Childers never thought she would question her Christian faith She was raised in a Christian home where she had seen her mom and dad feed the hungry clothe the homeless and love the outcast She had witnessed God at work and then had dedicated her own life to leading worship as part of the popular Christian band ZOEgirl All that was deeply challenged when she met a progressive pastor who called himself a hopeful agnostic *Another Gospel Student Edition* describes the journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith She invites young people along on her journey with compelling stories informative charts and provocative discussion questions After everything she had ever believed about God Jesus and the Bible had been picked apart she found herself at the brink of despair until God rescued her helping her to rebuild her faith one solid brick at a time In this book you'll find a list of resources including apologetics books theology books and podcasts for additional study discussion questions to help you dig deeper or spark conversations a sound biblical worldview mixed with personal stories from Alisa Childers popular speaker and author of *The Deconstruction of Christianity and Live Your Truth and Other Lies* In a culture of endless questions students need solid answers If you or someone you love has encountered the ideas of progressive Christianity and aren't sure how to respond Alisa's journey will show you how to determine and rest in what's unmistakably true This student edition of *Another Gospel* is designed to help young adults dive into this topic investigate the questions and the evidence and find clarity *Prepared to Answer*, **Evolution or Creation?** Albert DeBenedictis, 2014-04-02 This book is designed to share the research on the origins of the universe and the origins of life with those who are truly interested in making their decisions regarding origins as well as those who are simply curious about opposing views *On the Resurrection, Volume 2* Gary Habermas, 2024-09-15 In *On the Resurrection Volume 2 Refutations* Gary Habermas offers detailed analyses and

rebuttals of the alternate theories surrounding Jesus's resurrection This is the second volume of four in his magnum opus *On the Resurrection* **The Jesus Legend** Paul Rhodes Eddy, Gregory A. Boyd, 2007-08-01 Christianity Today 2008 Book Award Biblical Studies Even mature Christians have trouble defending the person and divinity of Christ The Jesus Legend builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history He was real and his presence on the planet has been well documented The authors of the New Testament didn't plant evidence though each writer did tell the truth from a unique perspective This book carefully investigates the Gospel portraits of Jesus particularly the Synoptic Gospels assessing what is reliable history and fictional legend The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus found there

PAUL'S LETTER TO THE PHILIPPIANS Edward D. Andrews, Thomas F. Marshall, 2022-04-11 PAUL'S LETTER TO THE PHILIPPIANS provides the reader with an explanation of Scripture that is detailed and up to date with modern scholarship faithful to Scripture as the inerrant infallible Word of God It is a trusted resource for Bible study Each commentary volume offers straightforward clear trustworthy practical and applicable explanations written by conservative evangelical scholars This verse by verse commentary makes every volume easy to understand and beneficial to your Christian life today Yet it also gives the reader a more in depth understanding of God's Word The author does not provide you with what he thinks feels or believes Instead he gives you what God said and what the Bible author meant by the words that he used The reader will also be given the historical context Bible backgrounds and any Bible difficulties **The Bible's Answers to 100 of Life's Biggest Questions** Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell

Developing a Christian Apologetics Educational Program Douglas E. Potter, 2010-02-18 Many are expressing concern about the future of Christian youth today What can we do to help ensure they will keep their evangelical faith once they graduate from high school Can Christian apologetics provide an educational solution Developing A Christian Apologetics Educational Program explores issues certain to be encountered by secondary school educators who want to teach apologetics as a distinct subject of study either as a part of a Christian institutional or home school curriculum This book helps the apologist and educator blend their skills to soundly integrate the two subjects A solution is sought by providing a background and rationale for implementing an age level appropriate apologetics course at this critical level of Christian education This

book is designed as a text to supplement those used in Christian education or applied apologetics courses each chapter successively builds upon the other to help develop an educational philosophy that supports the inclusion of apologetics in the curriculum A model is explained and materials are given to support the development of a curriculum in Christian Apologetics Education at the secondary level Practical ideas are explored and a sample unit of instruction is supplied to help the educator develop an evangelical approach to education that is in the classical apologetic tradition *Foundation* James

Nicodem,2013-03-15 Can the Bible be trusted Do we even know how it was formed and how it got to us What makes this book so special Questions like these have nagged at the minds of many people over the years including Christians In *Foundation* Pastor Jim Nicodem gives clear answers to these and other pressing questions about the trustworthiness of the Bible *Foundation* makes the case that the Bible is God s book God Breathed it out through human authors inspiration Gathered its 66 books into one volume canon Protected it from errors through centuries of copying transmission Faithfully reveals himself and his will for our lives in its pages revelation How can we be sure of these claims *Foundation* provides plenty of evidence to back them up giving us the confidence to build our lives on God s Word Perfect for believers at any stage as well as questioners or skeptics *Foundation* provides an accessible resource explaining why the Bible can be trusted and how we can more fully understand it **Desiring God** John Piper,2011 Experience the Lifelong Pleasures of Knowing God Satisfaction Happiness Joy According to John Piper the pursuit of pleasure in God is not only permissible it s essential *Desiring God* is a paradigm shattering work that dramatically alters common perspectives on relating to God Piper reveals that there really is no need to choose between duty and delight in the Christian life In fact for the follower of Jesus delight is the duty as Christ is most magnified in His people when they are most satisfied in Him Constantly drawing on Scripture to build his case Piper shows why pursuing maximum joy is essential to glorifying God He discusses the implications of this for conversion worship love Scripture prayer money marriage missions and suffering Piper beckons us to approach God with the hedonist s abandon Finally we are freed to enjoy Jesus not only as our Lord and Savior but also as our all surpassing soul satisfying Treasure *Desiring God* may turn your Christian world upside down And that will be a good thing for the glory of God and for your deepest joy Includes a study guide for individual and small group use **Stand Your Ground** Dean Hardy,2007-04-01 My freshman year of college was a battle writes Katie a college student and a strong Christian The transition from high school to college is one of the most pivotal times in a young person s life After departing from under the protective wings of their parents young adults often have trouble holding firm to the Christian faith *Stand Your Ground* is an introduction to apologetics for young adults in high school or college The book includes thirteen chapters that confront the overwhelming intellectual attacks Christian college students face on university campuses Dean Hardy takes readers on a spiritual and intellectual journey addressing such issues as the nature of truth and reality the investigation of other worldviews the evidence for Christianity critics arguments against Christianity and the relationship between apologetics and

evangelism Who Made God? Zondervan,2009-05-26 In the quest for the truth you need to know what you believe and why you believe it Who Made God offers accessible answers to over 100 commonly asked apologetic questions Bringing together the best in evangelical apologists this guide is standard equipment for Christians who want to understand and talk about their faith intelligently Part one answers tough questions about the Christian faith such as Who made God How can there be three persons in one God What is God s ultimate purpose in allowing evil Where did the universe come from How long are the days of creation in Genesis Did Jesus rise from the dead Are the records of Jesus life reliable Does the Bible have errors in it Part two answers tough questions about other faiths including Islam Mormonism Hinduism Transcendental Meditation Yoga Reincarnation Buddhism and Black Islam Relevant stories questions for reflection and discussion and a comprehensive list of suggested resources help you dig deeper so you can be prepared to give careful answers that explain the reasons for your faith Apologetics for the Twenty-First Century Louis Markos,2010-10-06 The vibrant and persuasive arguments of C S

Lewis brought about a shift in the discipline of apologetics moving the conversation from the ivory tower to the public square The resulting strain of popular apologetics which weaves through Lewis into twentieth century writers like Francis Schaeffer and modern apologists like William Lane Craig Josh McDowell and Lee Strobel has equipped countless believers to defend their faith against its detractors Apologetics for the Twenty first Century uses Lewis s work as the starting point for an absorbing survey of the key apologists and major arguments that inform apologetics today Like apologists before him Markos writes to engage Christians of all denominations as well as seekers and skeptics His narrative man of letters style and short chapters make Apologetics for the Twenty first Century easily accessible for the general reader But an extensive and heavily annotated bibliography detailed timeline list of prominent apologists and glossary of common terms will satisfy the curiosity of the seasoned academic as the book prepares all readers to meet the particular challenges of defending the faith today

Right from Wrong Mark Alan Smith,2022-11-15 Where does morality come from Apologists people who offer a formal defense of their religion point to God as the answer By inspiring scriptures that people can read study and teach God supposedly gave humanity a guidebook for how to live Award winning scholar of religion and politics Mark Alan Smith shows the errors in this chain of assumptions Apologists find themselves forced to accept a book that condemns same sex love and authorizes slavery genocide capital punishment for minor offenses and many other practices widely recognized today as immoral Apologists try to protect their worldview by ignoring the offending passages constructing strained reinterpretations rationalizing the indefensible or appealing to God s mysterious ways Is there a non religious method for discovering the elements of an objective morality Yes Smith argues the worldview of humanism Humanists apply reason logic and evidence to all subjects Smith s humanist approach to morality relies on discussion and debate among diverse participants as the best means to attain a moral code stripped of the biases of each individual group and society The result is a hopeful portrait of how to build on the moral progress humans have achieved since the writing of religious scriptures On Magic & Miracles

Marian A. Jacobs, 2025-07-01 From classic fantasy like *The Lord of the Rings* and *The Chronicles of Narnia* to modern stories like *Harry Potter* Christians have been debating the issue of fictional magic for decades. Some believers read and write fantasy as an expression of their God-given creativity while others feel this is dangerous and ignorant of the growing threat of the occult. Deuteronomy 18 says spells and other forms of magic are an abomination, but how does that apply to fantasy magic? Is there a difference between the Deep Magic of Aslan at the Stone Table and the spells in *Harry Potter*? Is it possible for fictional magic to lead someone into the occult? Adults and children alike have wrestled with these questions as the fantasy genre exploded into one of the most popular book and film genres on the market. In this guidebook, Marian A. Jacobs explores the theology of magic, gleaned from contextual clues surrounding supernatural events in the Bible. These scriptural principles can assist readers, movie lovers, gamers, and parents in discerning how fantasy can both edify and honor God. *On Magic and Miracles* aims to answer the following questions: What is the difference between magic and miracles in the Bible? Is magic real? And if so, does it pose a genuine threat? Could books like *Harry Potter* lead someone into the occult? What is the importance of fantasy for Christians? How can I discern fantasy books, films, and games for myself and my children? *At Home with God: Here and Now*

Lee Adams Young, 2000-05-25 From biblical times through the Middle Ages and the Reformation, the Christian religion enjoyed a sturdy belief in God consistent with human knowledge of the universe. But modern science then introduced a new picture of this world at odds not only with the old world picture but with the miracle-working God of ancient Scripture. Of the many different responses to this conflict, three stand out: i To deny the religious view of God and the world; ii To deny many solid findings of generations of scientists concerning the evolution of stars, the Earth, and life; iii To deny little yet to affirm little in religion to repeat ancient rituals without serious conviction. Lee Adams Young, a physicist and Bible scholar, claims to replace this chaos with an orderly view of God and the world in only 437 pages. He makes three main points: 1 The Bible consistently but falsely split the world into two separate realms: Heaven and Earth. God rarely or never left his celestial throne room to visit the Earth. The steeples of traditional churches pointed toward this Sky God, and the Lord's Prayer still speaks of a Father in Heaven. The result has been a disconnect between God and the believer, a chasm bridged only by armies of angels and other intermediaries or via long-distance calls. The solution, according to *At Home with God: Here and Now*, is to proclaim as does science that there is only one realm of reality. God should be seen as dwelling in this world, says Young, indeed within each of us, available for direct communication and personal support. Prayer should take the form of face-to-face communication with a person no farther away than the other end of a park bench. 2 The Bible consistently and correctly insists upon the inseparability of the human body and soul. So does Aristotle and the latest Catholic Catechism. Alas, in postbiblical times, many Jews and Christians have come to believe that at death the human soul could detach itself from the body and ascend to Heaven. Young responds as follows: a If there is no Heaven, the latter step has no meaning. We are face-to-face with God now in this life. Because we already live in a sacred world, one need not die in order to reach the divine. b The

notion of a soul that can function independently of bodily support goes against ancient and modern awareness of the influence of bodily conditions on thinking and memory c Near death experiences NDEs are reports from the living not from those who died Medical research shows that NDEs are triggered not by the objective peril of death but by the subjective fear of death d Human faith in an afterlife can blunt the human need to put interpersonal relationships in order in this life We must mend our personal fences nowthere is no second chance as the Hebrew Bible says 3 The God depicted in Young s book is entirely consistent with modern science That God is seen as the essential governor of nature whose regularities people depend on and science describes This book is recommended to all who seek a religious faith based on reality not makebelieve a faith grounded in ancient wisdom yet believable in this modern age *Tracing His Promise* Donna Amidon,2024-08-13 For many believers the Old Testament seems intimidating what with the unfamiliar names and distant places But author Donna Amidon demonstrates that these ancient stories aren t simply history they re a vibrant tapestry pointing to Jesus and reflecting God s unwavering promise of redemption In *Tracing His Promise* Amidon guides readers through twenty five stories from Scripture that trace the promise of Jesus from creation to Bethlehem Amidon blends rich theology with everyday application as she unlocks the Old Testament s hidden treasures and highlights God s faithfulness from the beginning Along the way readers will find discussion questions relatable anecdotes and beautiful artwork They will also be invited to share these stories with their families through printable ornaments and an Advent activity called the Jesse Tree Tradition Through *Tracing His Promise* readers will gain a deeper understanding of the Bible as one interconnected narrative with Jesus as the centerpiece
