A Dream of the Judgment Day John Howard Smith, 2021-02-05 The United States has long thought of itself as exceptional a nation destined to lead the world into a bright and glorious future These ideas go back to the Puritan belief that Massachusetts would be a city on a hill and in time that image came to define the United States and the American mentality But what is at the root of these convictions John Howard Smith s *A Dream of the Judgment Day* explores the origins of beliefs about the biblical end of the world as Americans have come to understand them and how these beliefs led to a conception of the United States as an exceptional nation with a unique destiny to fulfill However these beliefs implicitly and explicitly excluded African Americans and American Indians because they didn t fit white Anglo Saxon ideals While these groups were influenced by these Christian ideas their exclusion meant they had to craft their own versions of millenarian beliefs Women and other marginalized groups also played a far larger role than usually acknowledged in this phenomenon greatly influencing the developing notion of the United States as the redeemer nation Smith s comprehensive history of eschatological thought in early America encompasses traditional and non traditional Christian beliefs in the end of the world It reveals how millennialism and apocalypticism played a role in destructive and racist beliefs like Manifest Destiny while at the same time influencing the foundational idea of the United States as an elect nation Featuring a broadly diverse cast of historical figures *A Dream of the Judgment Day* synthesizes more than forty years of scholarship into a compelling and challenging portrait of early America

Judgment Day is Over Mathew Simon, 2019-06-26 Why did Jesus say that He was coming soon 2000 years ago The Churches have been saying that He is coming and that we are living in the Last Days But every prophecy has failed for the last 2000 years The words of Christ and the Bible are being questioned by people all over the world How do we find out the truth We can be set free when we read the Bible in context and study the historical events of the 1st Century The Bible shows that Jesus Christ died for those under the Law of Moses and that they were living in the last days of the 12 tribes of Israel The Judgment Day of the Bible was over in 70AD when the Law ended and God promised to never remember sin anymore Jesus took away the sins of the old covenant world He was born under the law of Moses and came to fulfill the law In His 1st coming He died on the cross to cancel the law of Moses The sign was that the veil in the Temple tore in two But Jesus and all the Apostles promised that He would return within their lifetime to judge those under the law of Israel and bring salvation to His Church The 2nd coming happened in 70AD when the Temple was destroyed in Jerusalem He removed

the law in His 2nd coming Today the world is not under judgment because Jesus took away sins by taking away the law Romans 4 15 NIV where there is no law there is no transgression Everyone goes to heaven because Jesus Christ has finished the work We can rest in the love of God our Father who does not judge anyone today *The Second Appearance* Dr. Dahn Batchelor,2010-06-23 William and Beatrice Hampston gladly welcome nine year old Russell Hendrix into their home in Nelson British Columbia in December of 1945 This older childless couple enjoys the company of this orphaned boy who had been hiding in their barn The Hampstons and the townspeople soon realize that Russell is an extraordinary child He intimately knows the details of the Bible and of the life of Jesus Christ Russell is popular with both the students at school and the adults in the community as they believe in his mission as a young preacher of the good word When Russell resurrects his friend Lawrence from death people suspect that he is Jesus Christ returned to earth as a small child But Russell doesnt think he is Jesus and he doesnt want to be Jesus As he grows older he faces enormous problems because many continue to pray to him despite Russells insistence that he isnt Jesus Christ The matter is laid to rest when sixteen year old Russell goes missing Years later the Vatican investigates whether or not the boy really was Jesus Christ Holy-days and holidays, a treasury of historical material, sermons, poetry [&c.] relating to holy days and holidays, compiled by E.M.
