

She is Gone

*You can shed tears that she is gone
Or you can smile because she has lived.*

*You can close your eyes and pray that she will come back
Or you can open your eyes and see what she has left.*

*Your heart can be empty because you can't see her
Or you can be full of the love that you shared.*

*You can turn your back on tomorrow and live for yesterday
Or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she is gone
Or you can cherish her memory and let it live on.*

*You can cry and close your mind,
be empty and turn your back
Or you can do what she would want:
smile,
open your eyes,
love,
and go on.*

When The One You Love Is Gone:

When the One You Love Is Gone Dr. Rebekah L. Miles, 2012-05-01 When a loved one dies you don't get over it but you can move on The bad news is that we never fully get over the loss of those we hold most dear we bear those scars to the grave The good news is that God is at work in us turning our loss and pain into something beautiful God can take the scars and the mess and the heartache of our lives yours and mine and use it to give new life new life to us and new life to others God is not in the business of zapping our loved ones and stealing them away from us But in a world where death waits for every person God stands ready God stands ready to receive our beloved dead as they cross over and God stands ready to guide us through the saddest days to walk with us through our grief and to take us into places we never could have imagined places of hope and renewal If God could take a cross and broken body and make of them redemption God can take your pain and heartache and fashion them into new life This book is composed of the reflections that point to broader lessons that will help those who find themselves passing through grief as well as the pastors counselors and friends whose job is to accompany the traveler *The Break-Up: Get Over When The One You Love Is Gone*, 2022-07-22 Individuals gab about what it's preferred to get a separation however those discussions don't frequently reach out to what life after separation is like Since except if you've been separated you don't exactly get what's genuinely going on with this next stage The book begins where you are as the writer records the experience of being left by his significant other Then it bursts a way to help you through the course of isolation revelation and mending The book is basic clear and loaded with weakness and trustworthiness It skirts the presumptuous and deigning nature of numerous self improvement guides and on second thought talks from the heart Mr Vineberg permeates the text with his entire being sharing well deserved shrewdness that stems from his thoughtfulness and languishing Let Be to Learn is about adoration regard and personal connections It offers fundamental bits of knowledge into the idea of human communications It strengthens your soul and calms your grief It is immediate and direct and above all it works **Catalog of Copyright Entries** Library of Congress.
