When Worlds Collide Shawn Forbes, 2007-03-27 This fictional work tells the story of a unique and lasting bond that develops between three individuals from very different backgrounds whose worlds collide in Manchester England in the late 1980's Although set mainly in Manchester London and Nassau Bahamas pivotal parts of the story are set in Los Angeles California and New York City Stephen Taylor is a young West Indian man who tries to loosen the shackles of a small town upbringing when he moves to England to attend university He is troubled by the guilt that stems from his inability to accept his homosexuality and does everything in his power to hide from himself Despite developing a powerful bond with Suresh Patel a young gay British man of Indian extraction and Tanya Collings a troubled Canadian young woman Stephen eventually returns to The Bahamas where old demons resurface to haunt him His path to self discovery is fraught with challenges which include a nervous collapse a loveless marriage and the rejection of the man he truly loves Ultimately however he finds redemption and himself Tanya Collings is a young Canadian woman who has endured unfathomable physical and sexual abuse at the hands of her parents She meets Stephen and Suresh soon after escaping to England and develops a special bond with them that ultimately helps her to heal her damaged life Although she generally

distrusts all men with the exception of her friends Stephen and Suresh she eventually meets Michael Rouse a young Englishman with whom she falls in love and finally marries Suresh Patel is a brash often coarse self assured British man of Indian parentage who is aware of his homosexuality from an early age and accepts it completely He moves to Manchester after being rejected by his family and suffering a succession of tragedies Suresh is the glue that holds the story together providing a source of strength for Tanya and Stephen despite the challenges that he himself faces Ultimately the story is one of hope of how the power of love helps three very damaged people heal their lives and those of the friends who come to mean more than family It is a story that transcends the boundaries of race colour class and sexual preference and will likely appeal to men and women everywhere who have had to grapple with issues of incest sexual and physical abuse bisexuality homosexuality violence and AIDS In the author s view the story is particularly pertinent to the current international debate on issues surrounding gay relationships In the United States the catalyst for the current discussion has been the subject of marriage between same sex partners but at its foundation the matter is far more complex than that Cultural and religious taboos intolerance and ignorance are all a part of the current global pre occupation with gay bisexual and trans gendered persons and these are all subjects that are explored and debated in **When Worlds Collide** Gene W. USA and Racial Divide Margaret Gray Robinson, 2019-05-23 USA and Racial Divide Lord Heal Me and Heal Our Land addresses racism from the perspective of a sixty three year old African American Christian woman who has struggled with her ability to experience the love of God because of her contradictory reality The book though controversial will benefit all readers because it exposes the true culprit of division whether in races homes families nations or our world Attention is given to the role of the Body of Christ church in this sinister attack of the enemy and how we are without excuse in continuing justifying its acceptance in our society It cannot be done by the marches of the 1960s but by a spiritual revolution hearts must change were the words that were given in answer to a prayer about racism in our nation Understanding God s original plan for mankind male and female understanding who God is and who man is understanding human behavior exploring historical facts about our nation and African descendants recognizing the true enemy of division understanding that racism is the symptom of a greater spiritual problem that cannot be handled by natural means are all covered in this book The author reminds the Body of Christ of its role in perpetuating racism and the need for repentance so we can be the light of the world that we are called to be We have been given the ministry of reconciliation however we remain powerless if we behave as the world Although many are saved there is a need for spiritual maturity otherwise we remain babes in Christ and behave just like the world Who his own self bare our sins in his own body on the tree that we being dead to sins should live unto righteousness by whose stripes ye were healed 1Pe 2 24
