videos they demonstrate conferences with individual writers small groups and whole groups Quick easy to manage assessment methods emphasize that formative assessment does not have to take a long time to be worthwhile and effective Vignettes from classroom teachers principals and authors add a variety of perspectives and classroom experiences on this important topic A Closer Look shows that when students are in charge of their own writing process and set and reach their own goals writing becomes a vibrant energetic part of the day

Becoming a Literacy Leader Jennifer Allen, 2023-10-10 In this second edition of *Becoming a Literacy Leader Supporting Learning and Change* author Jennifer Allen reflects on her work as a literacy specialist and how the role has evolved in the decade since she wrote the first edition Her experiences can apply to all school leaders including principals coaches teachers support staff and office administrators Allen focuses on three ideas to describe her work Layered Leadership the multitude of supports in place for teachers to encourage learning and change within schools Shared experiences that develop community and develop common understanding of practices curriculum and assessment Importance of rowing in the same direction in that literacy coaches and leaders stay interconnected and aligned to the goals of the school Allen knows the challenges of teachers face and advocates literacy coaches implement these layers of support within a school including in class support curriculum support and assessment study group facilitation and the cultivation of teacher leadership In *Becoming a Literacy Leader* she provides an explicit framework for implementing these layers of coaching and explains how administrators can use the literacy leader position to build and sustain change within their schools This book will be the road map for how literacy leaders and coaches approach their work with purpose and intention Online videos that accompany the book bring the text alive by showing readers what coaching looks and sounds like

Conferring with Young Writers Kristin Ackerman, Jennifer McDonough, 2023-10-10 If you've ever sat down to confer with a child and felt at a loss for what to say or how to help move him or her forward as a writer this book is for you If you are a strong teacher of writing but are not seeing results from your students this book is for you Authors Kristin Ackerman and Jennifer McDonough have been teaching writing for several years and know that conferring can be a murky and messy process perhaps the hardest component of all Written from the lessons they've learned through hard won classroom experience their mistakes and challenges *Conferring with Young Writers* is based on what Kristin and Jen call the three Fs frequency focus and follow up They've created a classroom management system that offers routine and structure for giving the most effective feedback in a writing conference This book will help writing teachers and students learn to break down and utilize the qualities that enable good writing elaboration voice structure conventions and focus The authors also provide the knowledge and skills it takes to confer well which will help you improve as a writing teacher and give your students the confidence to think of themselves as writers

A Sense of Belonging Jennifer Allen, 2023-10-10 Too often new teachers enter the profession excited to make a difference in the lives of children only to find themselves disillusioned and overwhelmed with the expectations of the classroom In *A Sense of Belonging* Jennifer Allen shares her

stories and journey in creating an infrastructure of support for new teachers within her school district A Sense of Belonging provides research based practical ideas on how to support new teachers while honoring the innovation idealism and optimistic enthusiasm that they bring to the classroom From supporting new teachers early in the year with administering and analyzing literacy assessments through using student work to guide instruction to offering ongoing help with curriculum planning Jennifer shares strategies on fostering relationships with new teachers starting before school even begins creating learning environments for new teachers to be reflective practitioners coaching new teachers in their classrooms and providing opportunities for them to observe their peers in action supporting new teachers beyond their first year through gradual release of support over their first several years in the classroom and facilitating professional development opportunities where new and veteran teachers learn alongside one another Jennifer believes and her book demonstrates that when schools embrace encourage and celebrate the work of new teachers they establish a supportive environment that fosters excellence and improves retention

The Everything Classroom Management Book Eric Groves,2009-05-18 This book provides battle tested tips on how to become an outstanding educator Written by a veteran teacher it s packed with every classroom management secret he discovered in two decades of teaching Rookies and veterans alike will learn how to Create the perfect classroom environment Turn defiant students into stellar performers Transform unruly parents into loyal allies Make peace with difficult administrators Increase productivity and learning This is a real world guide for creating a calm nurturing and effective learning environment Whether they re just out of college or have been teaching for decades teachers will learn how to survive thrive and excel in the classroom

Everyday Editing Jeff Anderson,2007 Editing is often seen as one item on a list of steps in the writing process usually put somewhere near the end and often completely crowded out of writer s workshop Too many times daily editing lessons happen in a vacuum with no relationship to what students are writing In Everyday Editing Jeff Anderson asks teachers to reflect on what sort of message this approach sends to students Does it tell them that editing and revision are meaningful parts of the writing process or just a hunt for errors with a 50 50 chance of getting it right comma or no comma Instead of rehearsing errors and drilling students on what s wrong with a sentence Jeff invites students to look carefully at their writing along with mentor texts and to think about how punctuation grammar and style can be best used to hone and communicate meaning Written in Jeff s characteristically witty style this refreshing and practical guide offers an overview of his approach to editing within the writing workshop as well as ten detailed sets of lessons covering everything from apostrophes to serial commas These lessons can be used throughout the year to replace Daily Oral Language or error based editing strategies with a more effective method for improving student writing
