When A Prophet Cries When A Prophet Cries:

When a Prophet Cries Prophet Brody, 2007-02-23 WHEN A PROPHET CRIES BOOK SUMMARY When a prophet cries is a practical book about the prophetic calling that will inspire the spiritually mature as well as the milk drinker One day as I was listening to the Holy Spirit He asked me what is 7 x 7 I was so stunned by the question that I could hardly recall the answer He went on to ask how old are you It occurred to me that both answers were 49 He continued That you may know I still use my prophets to mark certain events go to Leviticus 25 When I began to read about the 7 x 7 years in the eighth chapter I was flabbergasted I realized that my age directly correlates to the year of overflow preceding the year of Jubilee for this season I asked the Lord for confirmation of this fresh revelation and He gave it I was listening to a bible on cassette one day and the following words leaped out at me And Noah was six hundred years old when the flood of waters was upon the earth On another day these words seemed to leap from the pages I was reading And in the sixth month the angel Gabriel was sent from God unto a city of Galilee I remember thinking the sixth month of what It was then that the Spirit of God took me to this verse in Luke 1 36 And behold thy cousin Elisabeth she hath also conceived a son in her old age and this is the sixth month with her who was called barren This book was written by the inspiration and insistence of the Holy Spirit He anointed me to write and I obeyed The result was a book that has activated many of my sample audience to seek a closer relationship with God A teenaged reader said that she began to cry while reading When a prophet cries and she has felt closer to the Lord ever since She said that her whole life was changed A young lady from my gym said that is an awesome book I just had to read it over and over I have received countless phone calls from people commenting on how their lives have been touched by this writing I believe this writing will attest to the fact that God has a personal interest in His people so much so that He has mandated that the prophets speak forth his heart to them I am anointed to write for this season to a people who are hungry and thirsty for the living word of God Though many messages have gone before this book is a holy designation for that portion of the body of Christ that are desirous for a rhema from the Spirit of God **The Eleventh Hour; Or, the Prophet's Cry to Christendom, a Poem of 1843. Hubbard, 2015-11-03 Many are called into the prophetic ministry do not understand the constant breaking they must go through To receive the anointing they must possess to carry out God's will on Earth And as a result the people they are called to assist often mislabel them misunderstand them and misinterpret their actions Apostle Dedric Hubbard releases a profound and in depth wealth of wisdom revelation and understanding in his newest release A Prophet's Cry As he brings knowledge and attention to the silent pain prophets endure to carry out the instructions God gives them In this powerful book he deals with 7 key areas that many misunderstand about prophets Those 7 areas are 1 A Prophet's Love 2 A Prophet's Compassion 3 A Prophet's Protection 4 A Prophet's Relationship 5 A Prophet's Obedience 6 A Prophet's Failure 7 A Prophet's Attitude **A Prophet's Cry** Miyonda Carter, 2019-03-05 Miyonda Carter was once a new Christian fresh from the sinful sea of life in the

world While attempting to grow in the Lord and learn the protocols of the church Miyonda was full of zeal and passion as she embraced a new beginning as a born again believer Unfortunately it did not take long before she was introduced to the reality that everything she was learning in the Bible was not being exhibited within the church In a collection of poems prayers and stories Miyonda reflects on her personal journey as she discovered her spiritual gifting grew in God and learned to accept his unfailing love While also focusing on helping others grow and strengthen their own intimate relationships with the Lord Miyonda explores how the journey of a believer can be discouraging at times while providing encouragement and hope for spiritual seekers craving deep introspection that goes beyond the shallowness of regular church services and weekly Bible studies A Prophet s Cry shares inspirational poems prayers and personal stories that will lift others up to embrace God s power and grace and break the barriers that stand between us and an intimate relationship with our Father **An**

to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume I follow the studies on five of the twelve minor prophets Hosea Joel Amos Habakkuk and Malachi each following the pattern of study I had developed

Interpreting al-Tha'labi's Tales of the Prophets Marianna Klar, 2009-09-10 Al Tha labi was a renowned Qur'anic scholar of the fifth eleventh century and his *Ara is al majalis* is arguably the finest and most widely consulted example of the Islamic qisas al anbiya genre Drawing on primary Arabic sources Klar applies modern critical methods in order to explore the nature of al Tha labi's *Ara is al majalis* within its historical and literary context and thereby produces a compelling examination of the stories of Noah Job Saul and David as portrayed in the key historiographical and folkloric texts of the medieval Islamic period Via a close analysis of the relevant narratives the book considers a number of universal aspects of the human condition as they are displayed in these tales from first a religious then a familial and finally a social perspective Touching upon the benefits and limitations of the application of biblical studies and literary motifs to Islamic materials the book investigates the possibilities of interpretation raised by a primarily psychoanalytical reading of the tales of the four individuals in question As such this text will be of great interest to scholars of the biblical prophets Qur'anic studies Islamic historiography folklore and literary criticism
