

# WHEN CHILDREN BECOME PARENTS

Welfare state responses  
to teenage pregnancy

A silhouette of a pregnant woman is shown in profile, looking out of a window. The woman is standing, with her hand resting on her hip. The window is large and multi-paned, showing a view of a building outside. The lighting is dramatic, with the woman's figure in deep shadow against the bright light coming from the window.

## **When Children Become Parents Welfare State Responses To Teenage Pregnancy:**

**When Children Become Parents** Anne Daguerre, Corinne Nativel, 2006-11 AGREED WITH AUTHOR Teenage parenthood is recognised as a significant disadvantage in western industrialised nations It has been found to increase the likelihood of poverty and to reinforce inequalities This book explores for the first time the links between welfare state provision and teenage reproductive behaviour across a range of countries with differing welfare regimes Drawing on both welfare state and feminist literature as well as on new empirical evidence the book compares public policy responses to teenage parenthood in each family of welfare regime Nordic Liberal and Continental Western European analyses the different socio political contexts in which teenage pregnancy is constructed as a social problem identifies best practice in Europe and the USA Countries included in the study are the UK USA New Zealand France Italy Poland Denmark Norway the Canadian province of Quebec and Russia The contributors are all internationally recognised experts in the fields of welfare and or gender studies When children become parents is important reading for a wide audience of students policy makers practitioners and academics in sociology social policy social geography education psychology and youth and gender studies Anne Daguerre is a Senior Research Fellow at Middlesex University and has written extensively on young people and family policy Corinne Nativel is a Research Fellow at the University of Glasgow and has published extensively on welfare restructuring and comparative social policy

**When children become parents** Daguerre, Anne, Nativel, Corinne, 2006-11-01 Teenage parenthood is recognised as a significant disadvantage in western industrialised nations It has been found to increase the likelihood of poverty and to reinforce inequalities This book explores for the first time the links between welfare state provision and teenage reproductive behaviour across a range of countries with differing welfare regimes Drawing on both welfare state and feminist literature as well as on new empirical evidence the book compares public policy responses to teenage parenthood in each family of welfare regime Nordic Liberal and Continental Western European analyses the different socio political contexts in which teenage pregnancy is constructed as a social problem and identifies best practice in Europe and the USA Countries included in the study are the UK USA New Zealand France Italy Poland Denmark Norway the Canadian province of Quebec and Russia The contributors are all internationally recognised experts in the fields of welfare and or gender studies When children become parents is important reading for a wide audience of students policy makers practitioners and academics in sociology social policy social geography education psychology and youth and gender studies

*The Demographic Transformations of Citizenship* Heli Askola, 2016-09-15 This book examines how demographic changes including low birth rates continuing immigration and population ageing are transforming ideas about citizenship and belonging

*Teenage Pregnancy* Lisa Arai, 2009-07-22 This book examines who is likely to have a baby as a teenager the consequences of early motherhood and how teenage pregnancy is dealt with in the media The author argues that society's negative attitude to young mothers marginalises an already excluded group and that efforts should be

focused on support      **Children, Young People and Social Inclusion** E. Kay M. Tisdall, 2006-11 Social inclusion and participation have become policy mantras in the UK and Europe As these concepts are being translated into policies and practice it is a critical time to examine their interpretation implementation and impacts This book asks how far and in what way social inclusion policies are meeting the needs of children and young people      **The Routledge Handbook of Global Child Welfare** Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children      The Superhuman Lifestyle Radheshyam more, 2024-06-21 This book serves as a transformative resource offering innovative solutions to address a wide array of physical mental emotional familial social national and global health challenges It stands as a comprehensive guide for individuals and society grappling with sexual crises Seekers of spiritual progress practiced Brahmacharya in ancient times but now the situation has changed significantly Now everyone who wants not only personal benefits on the physical mental and spiritual planes but also those who want to build a good society free from the burning problems of sexually transmitted diseases teenage pregnancy and its horrible consequences moral degeneration and the impending extinction of mankind must practice Brahmacharya and inspire others to do the same Originally intended to be the pinnacle of strength the human body has faltered due to a lack of understanding However within these pages lie solutions to reclaim that inherent strength Every avenue towards leading a superhuman lifestyle akin to the remarkable qualities of great scientists Rishis saints spiritual Gurus and accomplished individuals from diverse fields is explored It is our earnest desire that the information and teachings contained herein contribute to the prevention of human degradation and the building of a good society not only for human survival but also for the suprahuman evolution of mankind

'Adolescence', *Pregnancy and Abortion* Catriona I. Macleod, 2010-07-07 Winner of the Rhodes University Vice Chancellor's Book Award 2012 Winner of the 2011 Distinguished Publication Award of the Association for Women in Psychology Why despite evidence to the contrary does the narrative of the negative consequences of teenage pregnancy abortion and childbearing persist This book argues that the negativity surrounding early reproduction is underpinned by a particular understanding of adolescence It traces the invention of adolescence and the imaginary wall that the notion constructs between young people and adults Macleod examines the entrenched status of adolescence within a colonialist discourse that equates development of the individual with the development of civilisation and the consequent threat of degeneration that adolescence implies Many important issues are explored such as the invention of teenage pregnancy and abortion as a social

problem issues of race culture and tradition in relation to teenage pregnancy and health service provider practices specifically in relation to managing risk In the final chapter an argument is made for a shift from the signifier teenage pregnancy to unwanted pregnancy Using data gathered from studies worldwide this book highlights central issues in the global debate concerning teenage pregnancy It is ideal for academics and students of health psychology women s studies nursing and sociology as well as practitioners in the fields of youth and social work medicine and counselling

The Dynamics of Young Fatherhood Bren Neale, Anna Tarrant, 2024-02-26 Around 1 in 10 children born in the UK are fathered by men under the age of 25 These men are often from socially disadvantaged areas and frequently overlooked in both research and practice settings Using findings from a major Economic and Social Research Council study supplemented with additional data the authors focus on the transitions of the young men into early parenthood and their unfolding lives thereafter As negative popular and media discourse around young fathers begins to shift policy makers practitioners researchers and students will find future policy and practice directions designed to nurture the potential of these young men and their children

Teen Lives around the World Karen Wells, 2019-11-08 This two volume encyclopedia looks at the lives of teenagers around the world examining topics from a typical school day to major issues that teens face today including bullying violence sexuality and social and financial pressures Teenagers are living in a rapidly changing and increasingly interconnected yet unequal world Whether they live in Australia or Zimbabwe they have in common that they are between childhood and adulthood and increasingly aware of how inequality is affecting their lives and futures This encyclopedia gives a different perspective based on the experiences of teens in 60 countries Each entry gives the reader a brief sketch of a country to help readers to understand how geography history economics and politics shape teen life The entries include a country overview and cover the following topics Schooling and Education Extracurricular Activities Art Music and Sports Family and Social Life Religions and Cultural Rites of Passage Rights and Legal Status and Issues Today Special sidebars called Teen Voices appear throughout the text and include a description of a typical day in the life of a teen in various countries Students will be able to gain a better understanding of what life is like around the world for their peers and will be able to easily make cross cultural comparisons between different countries

**Teenage Pregnancy and Education in the Global South** Francesca Salvi, 2019-04-11 Teenage pregnancy is seen as a problem by researchers and policymakers alike all over the world but particularly so in the context of developing countries Here it is seen as an obstacle to personal and national development exacerbating the gender gap in education and placing an additional financial burden on low income families This book considers the opposition between pregnancy and parenthood on the one hand and education on the other using the specific case of in school pregnancy in Mozambique Drawing on the voices of young people their families and their teachers this book aims to build an understanding of how individuals and communities react to in school pregnancy policies The result is a critical challenge of current policy guidelines that indicate pregnant schoolgirls should be transferred to night

courses initially set up to boost adult literacy The book also demonstrates that young people operate within a range of constantly shifting and interweaving normative frameworks and that a nuanced understanding of their agency can only be achieved by synthesising their individual perceptions with an understanding of the social cultural and historical contexts in which they operate Concluding by stepping outside of the Mozambique case this book aims to appeal to scholars and policymakers looking at development gender and education within Mozambique but also within the Global South more generally

**Social Welfare Issues in Southern Europe** Maria Brown, Michael Briguglio, 2022-03-10 This volume is the first of its kind to discuss social welfare issues using case studies from a broad range of Southern European countries both large and small a decade after the financial crisis It identifies similarities and differences in the ways in which Southern European countries engage with specific welfare issues and examines whether Southern European welfare is distinct from that of the rest of the continent The book also engages with the impact of COVID 19 on the social welfare issues under investigation The volume is divided into four sections each examining in detail issues including employment education health sexuality globalization social movements and migration With its contributions from experts in the field the volume is recommended for academics researchers and students of sociology social policy economics education politics and social movements

**Diversity in Family Life** Elisabetta Ruspini, 2014-12-03 As the variety and number of nontraditional families grow so does the need for new models of family and parenthood Diversity in Family Life discusses the relationship between shifting gender identities and the processes of family formation examining non traditional family structures including asexual couples child free couples living apart together couples single parents and homosexual and transsexual parents Calling for bold reformulations it argues that it is possible to live love and form a family in an astounding variety of ways

**Birth and Death in British Culture** Anette Pankratz, Claus-Ulrich Viol, Ariane de Waal, 2012-04-25 Why discuss birth and death when they lie outside discourse And why look at them together when they are so much unlike each other one the moment of fresh beginnings joys and the relative certainties of existence the other the moment of life's end grief and the relative uncertainties of non existence Because it turns out that both events while virtually unrepresentable have spawned a host of representations narratives rites and attempts at making sense of them and because they may have more similarities than appears at first sight The 13 interdisciplinary articles collected in this volume prove that looking at the two phenomena in tandem throws into sharp relief the distinct patterns and functions of each while also highlighting some of the fundamental historical developments cultural functions and socio political issues shared by both The contributions take stock of the discourses of birth and death prevalent in British and Western culture probing into the way the two phenomena have been subjected to strategies of medialisation commodification and bio politics

Child Social Work Policy & Practice Derek Kirton, 2008-11-19 A key text in the exploration of social political and historical changes around child social care It offers a broad overview of key themes in all areas and aspects of child care within the UK It is an essential resource for students

studying the degree in social work and will support and encourage their knowledge of fundamental issues Sarah Thomas Programme Director BA Hons Social Work University of Wales Institute Cardiff This book offers an authoritative overview of child care policy and practice in the UK It covers assessment and family support services understanding child maltreatment and protection the care of looked after children including the contribution of adoption foster and residential care services for those leaving care and barriers facing disabled children and their families Child Care Policy and Practice reflects the complexity and contested nature of children s needs rights and interests and relationships between family and state It analyses relevant debates and research and highlights practice issues and dilemmas Readers are also directed to sources of further information on topics they may wish to explore in more depth At the end of each chapter there is guidance for further reading resources for practice and questions for discussion The book is aimed at social work practitioners and students both qualifying and post qualifying at allied professionals working with children and families and at undergraduate students in Childhood Studies or Social Policy

*Too Hot to Handle* Jonathan Zimmerman,2015-02-22 The first comprehensive history of sex education around the world *Too Hot to Handle* is the first truly international history of sex education As Jonathan Zimmerman shows the controversial subject began in the West and spread steadily around the world over the past century As people crossed borders however they joined hands to block sex education from most of their classrooms Examining key players who supported and opposed the sex education movement Zimmerman takes a close look at one of the most debated and divisive hallmarks of modern schooling In the early 1900s the United States pioneered sex education to protect citizens from venereal disease But the American approach came under fire after World War II from European countries which valued individual rights and pleasures over social goals and outcomes In the so called Third World sex education developed in response to the deadly crisis of HIV AIDS By the early 2000s nearly every country in the world addressed sex in its official school curriculum Still Zimmerman demonstrates that sex education never won a sustained foothold parents and religious leaders rejected the subject as an intrusion on their authority while teachers and principals worried that it would undermine their own tenuous powers Despite the overall liberalization of sexual attitudes opposition to sex education increased as the century unfolded Into the present it remains a subject without a home *Too Hot to Handle* presents the stormy development and dilemmas of school based sex education in the modern world

Active Labour Market Policies and Welfare Reform A. Daguerre,2007-07-25 Examining recent policy responses to social exclusion in the US France Denmark the UK and at the EU level since 1997 Daguerre argues that the development of active labour market policies is not the answer and that the reforms are indicative of a shift towards conditional welfare The book is based on in depth interviews with key policy makers

**Inequality** Lisa A. Keister,Darby E. Southgate,2012-01-23 Social stratification is the grouping of people based on income wealth political influence and other characteristics Widely recognized categories such as upper middle and lower class reflect the presence of social stratification in all societies Inequality refers to the inevitable disparities in people s positions in

this structure The research presented in this book ranges from studies of income and wealth disparities to analyses of the nature of the class system This textbook reflects a hybrid approach to studying stratification It addresses the knowledge accumulated by stratification scholars and challenges students to apply this information to their social world The authors include a wide range of topics and provide current research to round out their discussions Each chapter includes a list of key concepts questions for thought suggested exercises and multimedia resources

*The Future of Motherhood in Western Societies* Gijs Beets, Joop Schippers, Egbert R. te Velde, 2010-12-06 Most people value to have children still highly But what is the optimal moment to have the first The decision on having children or not and if yes on the timing of the first is one of the most difficult ones to make also because it more or less coincides with various other heavy decisions on shaping the life course like on union formation labour market career housing accommodation etc People realise that having children will fundamentally change their life and in order to fit this unknown and irreversible adventure perfectly into their life course postponement of the first birth is an easy way out as long as doubts continue and partners try to make up their mind Modern methods of birth control are of course a very effective help in that period What is the best moment to have the first child And to what moment is postponement justified There are no easy answers to these questions Best solutions vary per person as they depend on personal circumstances and considerations the partner may have conflicting ideas housing accommodation job income free time activities Existing parental leave and child care arrangements are weighted as well Unfortunately the biological clock ticks further And also unfortunately assisted reproductive technology IVF etc is unable to guarantee a successful outcome Several couples end up without children involuntarily and that may lead to sorrow and grief This interdisciplinary book overviews the process of postponement and its backgrounds in modern Western societies holistically both at the personal and the societal level Contributions come from reproductive evolutionary biological and neurological sciences as well as from demography economy sociology and psychology It holds not only at women but also at men becoming first time fathers The discussion boils down to a new policy approach for motherhood and emancipation on how to shape work and family life It is argued that a public window where one can compose a cafeteria like set of supportive arrangements according to personal preferences could lead to a break in the rising age at first motherhood

*International Handbook of Adolescent Pregnancy* Andrew L. Cherry, Mary E. Dillon, 2014-01-13 The rates are on the decline worldwide But adolescent pregnancies still occur placing millions of girls each year at risk for medical complications and social isolation and their babies for severe health problems especially when prenatal care is inadequate or nonexistent But as the opportunity for young women and girls increases around the world adolescent pregnancy will continue to decline Featuring reports from countries across the developed and developing worlds the International Handbook of Adolescent Pregnancy analyzes the scope of the problem and the diversity of social and professional responses Its biological ecological perspective identifies factors influencing childhood pregnancy as well as outcomes challenges and needs of very young mothers as they differ

across nations and regions Salient comparisons are made as cultural contexts and community support vary widely and attention is paid to issues such as child marriage LGBT concerns and the impact of religion and politics on health care particularly access to contraception abortion and other services This global coverage heightens the understanding of readers involved in care education and prevention programs and otherwise concerned with the psychosocial development reproductive health and general well being of girls Included in the Handbook Biological influences of adolescent pregnancy Adolescent maternal health and childbearing Adolescent pregnancy and mental health International perspectives on adolescent fathers Adolescent pregnancy as a feminist issue Adolescent pregnancy as a social problem Plus viewpoints from more than thirty countries As a unique source of up to date findings and clear headed analysis the International Handbook of Adolescent Pregnancy is a go to reference for practitioners and researchers in maternal and child health pediatrics adolescent medicine and global health

### **When Children Become Parents Welfare State Responses To Teenage Pregnancy Introduction**

In the digital age, access to information has become easier than ever before. The ability to download When Children Become Parents Welfare State Responses To Teenage Pregnancy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download When Children Become Parents Welfare State Responses To Teenage Pregnancy has opened up a world of possibilities. Downloading When Children Become Parents Welfare State Responses To Teenage Pregnancy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading When Children Become Parents Welfare State Responses To Teenage Pregnancy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download When Children Become Parents Welfare State Responses To Teenage Pregnancy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for

## **When Children Become Parents Welfare State Responses To Teenage Pregnancy**

undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading When Children Become Parents Welfare State Responses To Teenage Pregnancy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading When Children Become Parents Welfare State Responses To Teenage Pregnancy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download When Children Become Parents Welfare State Responses To Teenage Pregnancy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About When Children Become Parents Welfare State Responses To Teenage Pregnancy Books**
