*Spells* Peter Rock,2017-04-01 Twenty years ago while working as a security guard in an art museum Peter Rock staved off the job s inherent boredom and loneliness by trying to make up a story for each photograph painting and object in the museum A few years ago reminded of the pleasures and play that he felt in danger of forgetting he began to envision a similar project As he explains First I found photographers whose work I was drawn to and contacted them with a very hypothetical and tentative description of what I was doing Somewhat arbitrarily I decided that five photographers would be a good number I was gratified that the first five I contacted were excited to join me Next I let these photographers know why I was drawn to their work noted some images I really admired and shared some of my previous writing with them I asked them to send me 20 30 images of these I chose five at a time and proceeded incrementally generating the specific stories as I went The images are not merely illustrations for a pre-existent story then but the conditions and possibilities and limitations of how they proceeded The images came first One way to think of it is that the stories herein and the larger story they become were already embedded in the photographs My attention and intuition acted as a kind of excavation that brought them to the surface into words The texts range from narrative to prose poem from folktale to rant to reverie to an essay written by a fourth grader The overarching story follows three friends who have recently graduated from high school it explores their relationships and how things change when they become entangled with an elderly widower who claims to have dreamt of one

of them The ensuing drama explores the relationship between dreams and waking life between the head and the heart between shadows and their bodies between the living and the dead      **Love, War, and Glory** Denis Olasehinde Akinmolasire,2018-07-27 Love War and Glory 3 things that we all have seen experienced or been a part of As with life in general all 3 of these concepts have their ups and downs This book explores those themes via poetry and spoken words and examines what these themes mean for everyday life Explore what it means to go beneath the surface and find out what you are truly capable of and how to rationalize life events both good and bad This book also explores how to keep your perspective when you achieve your life ambitions and aims From dealing with heartbreak and finding your true love to tales of warriors fighting never ending battles making dreams become a reality overcoming the odds to finally reach your goal to tales of supreme champions and reviews of global figures of interest and understanding the changes and the journey we all go through in life you will find it in this book We believe there is something in here that everyone can relate to      Girl Plus One Rhea Saran,2011-12-02 Q My girlfriend and I have both been working late these days and are just not in the mood for love by the time we get home at night What can we do A Welcome to the world of morning sex All you need to get started is to set your alarm half an hour earlier and keep breath mints and condoms by your bedside They don t call it morning glory for nothing Single and sexy Laila is back in Mumbai and seems to have landed the perfect job as features editor and sex columnist of the popular men s mag Guyzone Her friends Karthika and Maya cannot stop teasing her as Laila definitely knows a thing or two about men And there seem to be plenty in her life There is Neil Laila s boyish yet charming photographer flatmate or Rahul her ex boyfriend who still has the hots for her These and other men are complications Laila can deal with but when Sameer the suave CEO of Luxur enters her life she knows she has found her match What happens when the tables are turned and Laila loses her heart in this unpredictable game of love Funny smart and utterly entertaining Girl Plus One captures the life of a spunky city girl and her quest for that perfect plus one
