Andrew Murray

When Other Christians Become Catholic:

When Other Christians Become Catholic Paul Turner, 2007 Turner seeks to clarify and confirm the status of baptized persons who enter into full communion of the Catholic Church In addition he explores the rites of reception in the early church and the Second Vatican Council's call for ecumenical dialogue and looks to the reception rites of other Christian communities to gain added perspective

Chrismation Nicholas E. Denysenko, 2014 What is chrismation Nicholas Denysenko breaks open chrismation as sacrament of belonging by exploring its history and liturgical theology This study offers a sacramental theology of chrismation by examining its relationship with baptism and the Eucharist and its function as the ritual for receiving converts into the Orthodox Church Drawing from a rich array of liturgical and theological sources Denysenko explains how chrismation initiates the participant into the life of the triune God beginning a process of theosis becoming like God The book includes a chapter comparing and contrasting chrismation and confirmation along with pastoral suggestions for renewing the potential of this sacrament to transform the lives of participants

The Role of the Coordinator in Christian Initiation Donna M. Eschenauer, 2025-03-01 The coordinator's role in Christian initiation is essential for developing a rich and fruitful initiation ministry in the parish community This book will renew veteran coordinators of Christian initiation in their role and introduce novices to the many aspects of their work It will help coordinators manage their various responsibilities come to a deeper understanding of the process of Christian initiation and develop a profound appreciation for the way the liturgical and ritual elements of the baptismal catechumenate lead to an encounter with the living God Features include An introduction to the overall vision of the Order of Christian Initiation of Adults which sets the tone for the whole ministry of initiation Stories of initiation that resonate with the experiences of coordinators Practical steps and advice to help coordinators implement the ritual Suggestions for how to form an initiation team and a vibrant parish ministry Guidance for addressing pastoral concerns that arise during the process of initiation Downloadable forms that help facilitate recordkeeping A glossary of commonly used terms related to initiation

Full Communion with Us Paul Turner, 2025-09-15 A practical guide for initiation ministers on the appropriate ways to accompany Christians who are already baptized and who now seek to enter into the Catholic Church The Order of Christian Initiation of Adults offers pathways for preparing both unbaptized catechumens entering into the Christian life and validly baptized Christians of other denominations who seek to enter into the Catholic Church However there is often confusion about the proper ways of accompanying those who are already baptized and celebrating the sacraments of initiation with them In *Full Communion with Us* Paul Turner provides an in depth analysis of the pages of the OCIA that concern baptized candidates with guidance that takes seriously both the liturgical rites and the Catholic Church's ecumenical commitments Those who are preparing the formation as well as the liturgical celebrations pertaining to baptized candidates will find this an invaluable resource

Pastoral and Theological Commentary on the Order of Christian Initiation of Adults Various contributors,

including Paul Turner, Elizabeth Simcoe, 2024-07-05 The recent retranslation and US adaptation of the Order of Christian Initiation of Adults can be seen as the work of the Second Vatican Council continuing to unfold fulfilling the council's mandate to draw up texts and rites so that they express more clearly the holy things that they signify Sacrosanctum concilium 21 In this present volume A Pastoral and Theological Commentary on the Order of Christian Initiation of Adults fourteen authors all scholars and pastoral ministers steeped in the Church's living liturgical tradition help us appreciate this unfolding more deeply by presenting the historical development and theological significance of the OCIA rites and texts thus enriching our pastoral practice Introductory essays present a contextual foundation including discussion of historical and theological roots and an exposition of Christian Initiation General Introduction Then following the structure of the OCIA eight chapters of commentary concentrate on each stage of Christian initiation from acceptance into the Order of Catechumens through the Period of Mystagogy including chapters on the Rites for Particular Circumstances Further commentaries on the musical enrichment of the rites and on the newly revised National Statutes for the Catechumenate round out this panoramic yet accessible view of the rites of the OCIA This book is for anyone ministering in or studying Christian initiation We believe it offers a deep understanding of the rites for both those long familiar with this process and those fairly new to it For those who wish to pursue further study either casual or in depth a vast array of endnotes and bibliographies offer plenty of suggestions editor Victoria Tufano from the introduction The Catholic Tradition, Second Edition Timothy G. McCarthy, 2012-04-16 This expanded edition of a Loyola Press best seller traces profound changes in Catholicism's institutional intellectual and devotional life in this century Organized by theme authority mission social justice sexual morality and others the book explains Church thinking prior to Vatican II Church thinking now and the how and why of Council changes It shows the Church struggling to find the best way to maintain and hand on the Catholic tradition even as it engages in intrafaith and interreligious dialogue A new chapter on women in the Church their contributions and issues completes the update *One Baptism--One Church?* Kimberly Hope Belcher, Nathan P Chase, Alexander T Turpin, 2024-11-01 Over the centuries Christians have recognized the baptism of those outside their own ecclesial body but the practices of receiving those who are already baptized from other groups proclaim social theological and ecclesial distinctions How do contemporary practices reflect theological principles and historical development One Baptism One Church demonstrates how the social context and organization of local communities leads to prioritizing inner coherence and security over theological principles **Free Churches and the Body of Christ** Jeffrey W. Cary, 2012-11-05 Those within the free church tradition have often appealed to the notion of the invisible church to account for the unity of the Body of Christ A growing number of free church theologians however are giving increased attention to the importance of visible ecclesial unity which immediately raises the perennial problem of the authorities by which unity is maintained There is also a growing recognition among free church theologians of the need to recognize the authority of tradition in tandem with the authority of Scripture In this book

Cary affirms these recent developments but then inquires whether a turn toward visible unity together with an embrace of the authority of tradition can eventually be coherent without also embracing the authority of an extra congregational teaching office To guide his study Cary engages the work of two theologians from outside the free church tradition Robert Jenson and Rowan Williams He then brings them into contact with the prominent free church theologian James McClendon in order to supplement some of the deficiencies Cary perceives in McClendon's groundbreaking work Once these deficiencies are addressed however the question intensifies whether the free church tradition as such can remain a coherent ecclesial option over time

Unfolding the Mystery of Christ Eliot Kapitan, 2020-04-15

2021 Catholic Media Association Award first place award in faith formation 2021 Catholic Media Association Award second place award in pastoral ministry catechetical The catechumenate is animated by trust Seekers have to trust in new barely rooted faith Seekers also need to have trust in parish ministers who will to guide them on the way Parish ministers need to have trust in their Spirit given gifts Most importantly all involved in the RCIA process needs to have trust in the church's normative formation practice scripture

and tradition mediated through the gradual encounter with Christ in the celebration of the liturgical year Eliot Kapitan makes it easier for each to trust With gentle wisdom he presents an ordered method for preparing the Period of the Catechumenate Sunday by Sunday season by season liturgical year by liturgical year If you have ever lacked confidence in your ability to lead the seekers on the way of faith this book will help you trust that you already have all the skills and resources you need

How Can You Still Be Catholic? Christopher Sparks, Christopher Sparks asked Facebook friends to finish the question How can you still be Catholic when The replies came swiftly and forcefully With that Sparks went to work Here is the result In this book he addresses the biggest issues people grapple with when they think about the Catholic Church the Inquisition the Crusades the Church's role in a state homosexuality the role of women in the Church and many others For skeptics and non Catholics this book is an invitation to understanding the faith a way for outsiders to hear one contemporary Catholic's worldview and to see through Catholic eyes even if they remain unconvinced For Catholics this book is an introduction to an array of answers and resources for delving more deeply into and defending the faith

Role of the Priest in Christian Initiation Stephen S. Wilbricht, CSC, 2017-04-03 This resource guides priests through the periods and steps of the Rite of Christian Initiation of Adults pointing out their role as a shepherd to the community A table provides an easy reference to the steps and periods of the process

Tumultuous Times Francisco Radecki, Dominic Radecki, 2004 Well documented story of the Ecumenical Councils of the Catholic Church The second part of this work analyzes Vatican II and its effect on our world today The turbulent history of the Catholic Church will come alive as the centuries unfold before the reader God's tender care for His children amid life's storms and tumultuous times is evident and unmistakable

Receptive Ecumenism and the Call to Catholic Learning Paul Murray, 2010-05-06 This volume proposes a fresh strategy for ecumenical engagement Receptive Ecumenism that is fitted to the challenges of the contemporary context and has already been internationally recognised as making a distinctive and important new contribution to ecumenical thought and practice Beyond this the volume tests and illustrates this proposal by examining what Roman Catholicism in particular might fruitfully learn from its ecumenical others Challenging the tendency for ecumenical studies to ask whether explicitly or implicitly What do our others need to learn from us this volume presents a radical challenge to see ecumenism move forward into action by highlighting

the opposite question What can we learn with integrity from our others This approach is not simply ecumenism as shared mission or ecumenism as problem solving and incremental agreement but ecumenism as a vital long term programme of individual communal and structural conversion driven like the Gospel that inspires it by the promise of conversion into greater life and flourishing The aim is for the Christian traditions to become more not less than they currently are by learning from or receiving of each other s gifts The 32 original essays that have been written for this unique volume explore these issues from a wide variety of denominational and disciplinary perspectives drawing together ecclesialogists professional ecumenists sociologists psychologists and organizational experts
