Encouragement from the Psalms Dr. B, 2023-06-12 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or

On Heaven's Path Chris Lancaster,2016-06-07 On Heaven s Path takes readers on a journey of discovery that begins by explaining why the theory of evolution is untrue and unfounded and how science is now discovering God through the magnificent design of the universe This illuminating book looks at the authenticity of the Bible and the many prophecies that have come to pass and continue to do so It examines the folly of man s thinking that there is no God and the many false religions philosophies and beliefs that man clings to It tells why Christianity remains true and credible and beyond scrutiny Learn the only truth about the origin of the human race and why Christianity is the only true religion Finally On Heaven s Path examines why having faith in God and His word is essential and how we can be certain of having an eternity in heaven It is the author s hope to bring people back to the real truth about our Creator and the purpose He has for our lives In this seemingly hopeless and helpless world we must turn back to God before His impending wrath will come to all those who reject His grace and truth

Transfiguration and Hope D. Gregory Van Dussen,2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God s ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself

Wikipedia contributors, **Salvation Not Purchased** Stephen Finlan,2020-05-28 Many ministers and faithful Christians instinctively recoil from washed in the blood theology but they hesitate to discuss the subject This book by one of the world s leading authorities on atonement doctrine shows how the purchased by the blood idea is out of step with the teachings of Jesus who said that God reaches the pure in heart without any sacrificial payment The successors of Paul took the Apostle Paul s sacrificial metaphors far too literally and turned them into an imagined mechanics of salvation in which God is paid off Over the centuries this manipulative idea has been the source of confusion and mischief from the anti Semitic superstitions of the Middle Ages to the pedagogy of shame taught in many fundamentalist churches today Our understanding of Christ will be enhanced if we can recover the original apostolic Christology which was based on Christ as Creator and life giver **Our Life Beyond** John Daniel Jones,1914
